Yoga comes from the root word yuj meaning to join with or to harness It has its roots in India thousands of years ago it is probably the oldest system of holistic health in the world It is as valid today as it ever was maybe even more so as we juggle the pressures of life in the 21st century with our physical emotional mental and spiritual needs This book is a practical guide to beginning to understand and practice yoga It explains the basic principles and gives you step by step instructions on some of the classic yoga exercises

The Yoga-system of Patañjali Patañjali,1914 *Yoga For The Beginner: The Starter Guide* Andrew Z. Maitland,2013-08-18 *Yoga For The Beginner The Starter Guide* is the text that you must have if you are seeking the best way to achieve inner peace and to get the body back in balance The book explains what yoga is and it also gives some great poses that the reader can try to see if yoga would be something for them The great thing about yoga is that persons that have a debilitating disease like arthritis can do it as it is a great form of low impact exercise It is also a great exercise that children can do as it helps to calm them down at the end of the day The text is well timed as more and more person have become interested in low impact exercises as a way to keep fit and they are also seeking a way to free the mind of clutter
