The Gathering:

The Gathering Virginia Hamilton, 1989 Justice and her brothers the first of a new race with extraordinary powers return to Dustland in order to destroy the force that retards the growth of their advanced civilization The Gathering Jim Rosemergy, 2021-09-30 Prayer is a challenge for many of us What should we ask of God Is anyone listening Why aren't our prayers being answered The hard truth is this God doesn't fulfill needs For thousands of years humanity has brought needs to God with little success often resulting in disillusionment Now is the time to try something new A nine step prayer practice called The Gathering The Gathering will lead you to the avenues through which God's power and presence can be expressed You'll see that prayer isn't something you do rather it's an experience of God's presence Having seen thousands truly connect with God and transform their lives through prayer author Jim Rosemergy believes The Gathering is divinely inspired Whether practiced individually or within a group in just 40 days The Gathering will become your foundation for a genuine ever deepening experience of God's immanent presence and unlimited power The Gathering William Kienzle, 2002-03 A Father Robert Koesler mystery The Gathering Gail D. Prentice, 2016-06-21 What a shame General Moshe whispered to his Corporal of the Guard What a shame It seems like just last week this house of glory was full of music and praise People were on their knees before God praying for this community They were fighting a battle and winning Corporal Joabi reminisced Yes they were winning but they just didn't realize it The battle was fierce and the enemy had brought in Doubt and Apathy two of their strongest warriors to infiltrate here It wasn't long before the pastor was silenced because Doubt had begun to make headway within some of the congregation When they were not seeing great strides forward they began to doubt whether the work was worth continuing The people quit praying and decided that they were not qualified to tell others about our Lord Jesus They left all witnessing to the pastor and things went south from there Some of the other congregations decided that if they made programs for everything that all would be fine They started a Monday night dinner program a youth group that was very liberal in their teaching and Bible studies that manifested themselves as social events more than a time to study the Word of God They were more impressed with the social and financial status of the church than they were by the basic foundation of salvation Numbers on the membership roll were more important than the number of people delivered from their sin Profitability of the members was more vital than the righteousness and holiness of the Saints It wasn't long before the Christians that attended there began to involve sin into their business practices because it was very lucrative and as long as it was financially enhancing it was no longer sin Apathy had effectively made his move in the community Boredom and indifference began to sweep through the churches and town like a wildfire despite the pastors attempts to keep the church alive with God's Holy Spirit The community as a whole had embraced Doubt and Apathy as trusted leaders within the other churches and the rest is history Now we have an empty church as a painful monument of defeat **The Gathering** David Manuel, 1980 *Official Gazette of the United States Patent Office* United States.
