**Daughters of Joy, Sisters of Misery** Anne M. Butler,1985 They were called frail sisters fallen angels soiled doves and whores They worked the brothels saloons streets and hog ranches of the American frontier They were the prostitutes of the post Civil War West This book details the destitute lives of these nearly anonymous women Anne Butler reveals who they were how they lived and worked and why they became an essential element in the development of the West's emerging institutions Her story bears little resemblance to the popular depictions of prostitutes in film and fiction Far removed from

the glittering lives of dancehall girls these women lived at the borders of society and the brink of despair Poor and uneducated they faced a world where scarce jobs paltry wages and inflated prices made prostitution a likely if bitter choice of employment At best their daily lives were characterized by fierce competition and at worst by fatal violence at the hands of customers coworkers or themselves They were scorned and attacked by the legal military church and press establishments nevertheless as Butler shows these same institutions also used prostitutes as a means for maintaining their authority and as a lure for economic development Based on research in more than twenty repositories in Wyoming Arizona Texas Colorado New Mexico and Kansas using census lists police dockets jail registers military correspondence trial testimony inquests courts martial newspapers post returns and cemetery records this book illuminates the dark corners of a dark profession and adds much to our knowledge of both Western and women s history From publisher description

Current Literature, 1928 **Bear Claw Conspiracy** Jessica Andersen, 2011-05-01 Forensic analyst Gigi Lynd had an agenda. And it didn't include facing off against cop-turned-ranger Matt Blackthorn. But she'd do anything to help investigate a deadly attack in the Colorado back country and uncover a conspiracy, even partner up with a hardened loner who saw her inexperience as a liability. Matt couldn't afford a partner like stubborn, sexy Gigi. He'd lost too many men in the line of duty to pretend that he could keep her safe. If he was going to catch the killer, he needed to stay focused. Determined. But his greatest distraction came from a woman he had no choice but to protect.
