Evensen, 2006 The theme of the book is NEWS every day due to Globalisation INTERNET and a lack of ability to reform and due to fact that platforms of power and adjacent positions are at stake This is a fact whether it concerns a Corporation a Nation or an International Body for Relief and Development supposed to serve a higher end Two women and two men met to address ethics and enterprise It became a Voyage for Continuity and resulted in the writing of a trilogy This book follows up a trilogy Voyage for Continuity the Altruistic Gene It explains the need of pro active guardians of pluralism namely the elected and thereby legitimate persons in vital positions on bodies of governance like a Senate a Commission and a Supervisory Board The Challenge of altruistic senators independent commissioners outside directors is to serve and to assure even the Adversaries of Pluralism Transparency and Enlightenment Fair Play and Separation of the Roles Institutional Development and free Access to adequate Public Basic Infrastructure Gender Equality Protection of the Positive and the Negative Rights of the Citizen Proper Representation of the Needs and the Interests of the Atomist There must be Protection of the elected Pro Active Guardians of Pluralism whether the Adversaries of Pluralism like it or not Progress of the above factors can build Public Trust and prevent that the Main Parties at play each and everyone will cater for themselves The Majority of Mankind fears Obscurantism and its Consequences Obscurantism the holding back in self interest can be found everywhere This book focuses on the Role of an Outside Director in a Legal Entity or a Public Infrastructure Activity but the same professional standards apply to the elected Independent Commissioner and the elected Altruistic Senator they are Pro active Guardians of Pluralism The book is a commemoration of a female professional who died alone and unprotected because she became a risk to a multi role corporate powerhouse with something sinister to hide They could not let her witness she would not let herself become a hostage and an accomplice to their scam Stances for Pluralism Transparency and Enlightenment need Protection since the individual Director Commissioner Senator is a visible and simple Target for the diverse powerful Obscurantists French the Partisans of Obscurantism and if so then we you I are also at risk or we are all losing indirectly The book sketches a roadmap to healthier democracies which are robust enough to let populism fundamentalism and extremism play their tunes subject to no violation of the rights of innocent bystanders potential and existing followers It advocates dialogue but not the illusion of one consensus based on the leading sentences of central player s for the benefit of a hidden agenda or pure self interest The

roadmap contains parallel reinforcing initiatives for reform and improvement of International Movements like the religious ones and Intl Organizations like United Nations and its Network of Member Nations as well as of Unions of Nations like the EU It is a model of thought for pluralism and transparency inspired by democratic values The Goal and the final Test The Say of the Electorate shall prevail when Election day is over It shall do so by means of fit and proper Representation and pro active Protection of the Atomist an individual without influence alone

The Altruistic Gene - Revisited: S.T. Evensen, 2018-12-14 This book replaces a fiction 2005 in the Altruistic Gene trilogy and covers what really happened to an industrial family in 2005 2018 It signals faith in the power of collaboration to attain social impact by effective altruism a o setting new standards benefiting others The book offers perspectives on business institutional as well as societal development It also relates historic values of peripheral isles and coastal areas in Northern Europe namely gender parity and the right to resist by freedom of speech in a direct democracy protected by common law Telling about the actuality of these values that is the purpose and rationale of the book Part 1 of the book follows the elders of the family from 2005 until 2011 The elders foresaw structural changes as well as crises of trust caused by elite circulation collusion and fragmentation of decision making benefiting special interests They chose to carry through a transition of power to their children whom had become stepparents of two nephews victims of their biological parents high and deadly profiles A primary objective of the transition was to protect the family and reduce its profile in the media and markets by divesting holdings in traditional industries The elders wanted the stepparents to prepare the next generation for an early transition of power and they involved the family s confidants as mentors They also financed a task force for security and intelligence with a hidden agenda Part 2 and 3 of the book follow the endeavors of the next generation during 2012 2018 The family s values made the next generation take on responsibilities with a strong sense of duty The two adopted sons sought innovation and experiences in both the south and north of Europe where they were faced with the causes and later repercussions of economic crises in 2007 2009 The collusion resulted in crises of trust and debt Their findings on deliberative transparent pluralism Good governance requires agility enterprise and ethics as well as collaboration fair play and predictability They pursued ideas benefiting the atomist the individual without influence alone by impartiality coresponsibility empowerment and collaboration They saw the need to reinvent activities of trustees fiduciaries and facilitate effective basic infrastructure benefiting also small and midsized enterprises SMEs without names in the markets and media Therefore they decided to promote and participate in a social enterprise for impact investing organized as an innovative collaborative value network CVN A CVN can reach into the real economies of maritime regions where needs of owners enterprisers and investors are similar everywhere The book draws a circle with an unexpected end one of the adopted sons encounters a young woman with a surprise connection to the death of his biological parents An early transition starts and a CVN approach for impact investing is set in motion New ways are commenced e g efforts to stop favoring of special interests as well as to draft a pact on altruism against
