*Not Dead but Almost* Timothy Benson, 2025-01-05 What has to happen for a town to die What does it take for people to leave their homes and businesses and walk away from everything familiar to them When Jay Rohrbach makes an unplanned visit to Encino New Mexico he expects to find the small but active mining town that his late father had told him about What he finds is totally different No people walking the sidewalks rows of empty houses and a silent boarded up main street paint a totally different picture than the one he'd imagined A shell of a town that once had over two thousand people now has just a handful of residents barely hanging on Jay contacts his photographer friend Saul to help him figure out what happened As creators of television documentaries they immediately feel they have to uncover the story behind the town's situation When they stop for gas outside of town a brief conversation with a sad quiet man offers a glimpse into Encino's vibrant past its current state and its unknown future In *City of Dust* Jay and Saul explore the almost empty town and talk with some of the people still hoping something will change A brief stop to view the mine leads to a confrontation with some of the miners and discovery of the sinister reason behind the town's plight In *Wade Teller Side B* an aging Country music star sees the Encino documentary and hires Jay and Saul to produce a documentary about his life What starts out as a trip to Nashville and a deep dive into the music world uncovers family secrets and a criminal enterprise that no one expected *Alive for Now* takes Jay and Saul back to Encino With little sign that anything has changed they accidentally discover evidence that the mining company has hatched a plot to take over the town It leads to what's left of the people coming together to make a final stand to rescue their home *Not Dead but Almost* is a novel written in three parts It follows Jay and Saul through the process of creating three documentaries seemingly unrelated at first but with the common thread of the small New Mexican town and the mine The story blends rural life the Country music business and corporate greed to tell the tale of good folks trying to hold on in a struggle they never expected Along the way the colorful mix of people that live in Encino the beautiful high desert scenery and the town itself tell the tale of people desperate to keep their world alive **Chambers's Journal**, 1928 **Sport Diver**, 2006-09 *The Birds of New England and Adjacent States* Edward Augustus Samuel, 1875 **Alert Diver**, 2001
