this monster is creating in the life of the people on daily basis many people in our world today live in depression dejection despondency of life and some have committed suicide all because of them being worried and anxious of one thing or the other etc Howbeit with an undisputability of its might over the humans because of the harbour its existence has created in their life this monster of the world ought not to have an influence over the Christians This is because Jesus Christ their mighty leader has proclaimed himself having preeminence over all things both of physical and those of the spiritual through his resurrection from the death and then sitting on a throne raised beyond every existing thrones under the heaven Also he has promised and also proclaimed giving this victory of his to all who believe on him John 1 12 Luke 10 19 But it is bizarre that despite this great Promises made by the Lord to his believers we still find that this monster of the world is still having preeminence over the believers as though they do not have a saviour to save them from it there by making them to be of no differences between the people of the world and they who are called the children of God for as the former so also is the latter both control by this great monster who defines their mood of living life on daily basis And this is making the word of the Lord to seem falsehood to his believers like he is just seeking to get followers from them Howbeit from his holy book the Bible it is affirmed that every word of his is true and there is no lie attached to it Proverbs 30 5 there by expressing that the proclamation of his to his believers of giving them victory over all things because they do believe on him isn't a falsehood statement to them for him to just get followers from them The question then rises why then does this monster of the world also having preeminence over the believers life if the Promises of the Lord to them isn't a falsehood proclamation and how can it be overcome in their life This is what this book is all about to educate the Christians on how and why they should overcome the monster of the world called worry and anxiety in their life as they continue believing in the Lord It is a one book I encourage every believer to get if they desire to enjoy their walk with the Lord How to Deal with Anxiety Lee Kannis-Dymand, Janet D Carter, 2015-11-05 Everyone feels anxious from time to time and worry is a natural part of life But it is all too common to allow concerns about our health our security our relationships or our place in the world to become a negative cycle and a burden Anxiety gets called GAD when the worry is repetitive becomes associated with a variety of emotional and physical symptoms and begins to impact upon our ability to enjoy life If these problems sound familiar to you this book will provide you with practical help to deal with and overcome the problem By picking this book up you've taken the first stride Now using the STEP system a structured CBT based approach that delivers both support and proven techniques for beating anxiety you can begin to transform your daily life Written by an expert team with many years of clinical experience this book will help you get a better understanding of your anxiety and what keeps it going tackle negative thoughts and behaviour and progress to a healthier happier outlook without fear of setbacks or relapse ABOUT THE SERIES Everyone feels overwhelmed sometimes When that happens you need clarity of thought and practical advice to progress beyond the problem The How To Deal With series provides structured CBT based solutions from health professionals and top
