Hong Liu, Liu Hong

Startling Moon:

Startling Moon Hong Liu, Liu Hong, 2001 *Startling Moon* follows Taotao on a journey of discovery as she comes to understand her mother's stark choice and to look towards a very different China. Her first guides are her grandparents who open her eyes to a rich tradition of folk tales, Peking Opera, and classical poetry. Hungry to learn more, she travels to a distant university, to the timeless grasslands of Inner Mongolia, and finally to the city of Beijing, electric with the excitement of the democracy movement. Above all, it is the story of her quest to know her own heart, of the joys and responsibilities of friendship, the pain of first love, and of the full blossoming of passion for an older western man which will lead Taotao to risk her safety and all that she holds dear. **BOOK JACKET**

Startling Moon Liu Hong, 2002 When six-year-old Taotao is sent by her mother to live with her grandparents, her whole world seems to have fallen apart. Only in later years does she learn of her mother's secret pain, her own father's fall from grace in the Cultural Revolution, and come to understand the sacrifice she has made for her daughter. *Startling Moon* looks back to a past of rich but suppressed tradition and forward to a very different China. Above all, it is the story of Taotao's quest to know her own heart and of the blossoming of a passion which will lead her to risk all that she holds dear.

Gallipoli: A Manual of Trench Warfare Clem Gorman, 2015-02-25 The play is set in a sandbagged trench at Gallipoli, 1915, and throws the concepts of heroism into a new perspective. Private Barry Moon, a raw country boy, and Brendan Barra, an older soldier, share a small forward trench and they must bond to survive. They find themselves battling not only the enemy for whom they have a sneaking admiration but also themselves and the military establishment. The mateship they develop is their uniquely Australian way to combat the dehumanizing effects of war by bonding laterally, thus revealing a pathway to the survival of the human spirit in the face of the horrors of war.

The Annotated Shelley: Selected Poems (Student Edition) Percy Bysshe Shelley, 2024-01-01 A new type of Shelley edition for students, as well as reliable versions of the key texts, there are summaries, notes glossing difficult words or phrases, and technical notes. Each poem also comes with concise biographical information and intertexts, extracts from related works, as well as letters, influences, critical material, and other texts to deepen understanding, stimulate discussion, and promote wider reading.

Women in British Chinese Writings Dr Yun-Hua Hsiao, 2014-12-09 *British Chinese Writings: Subjectivity, Identity, and Hybridity* is a study of British Chinese literature. As Dr Hsiao points out, investigation of British Chinese writings is a little-studied area; however, since the political, social, and historical factors affecting this group of literature are unique, British Chinese publications deserve close examination. The author, Dr Yun-Hua Hsiao, is an assistant professor at the Graduate Institute of Children's English and Department of English, National Changhua University of Education, Taiwan. Readership: The primary market of this book aims at the British Chinese, British people, the diasporic Chinese, and readers concerned about the issue of race and culture. This research will also satisfy the curiosity of the general public about the British Chinese world.
