## Star Pilot:

*Human Starpilot* F Stephan, 2018-11-05 In 2130 Earth ecology is failing fast Its inhabitants are dying and the governments are hard pressed to contain the disaster So when an Alien Federation suddenly contacts Earth and offers assistance everyone jumps on it There are further surprises those aliens prove once their DNA analysed to be distant cousin from us The Federation will provide to Earth advanced technology and support against the climate change with a single condition To trade among stars they need pilots capable of managing hyperspace jumps and only rare humans have what it takes to survive the training and become one To receive support Earth has to find and provide starpilots to take its share of the load After a careful selection six are chosen to fly to the far away planet Adheek There they will try to learn their new trade If they fail Earth will collapse If they succeed it may have a chance But no one has prepared them to what they will face to gain that chance This debut novel was inspired by the classic *Have space suit will travel* from R Heinlein and by the science fiction work from LE Modesitt It is a tale of adventure in a far land of going beyond one s own limits *Starpilot's Grave* Debra Doyle, James D. Macdonald, 1993-06-15 A pilot goes undercover to hunt down an assassin in this classic space opera adventure sequel to *The Price of the Stars* Blockaded restricted and forgotten the Mageworlds would never threaten the Republic again A broken and drifting ship it s long dead captain still strapped in the command seat that s what free spacers call a starpilot s grave When one of these derelict craft appears in the Net the artificial barrier zone separating the Republic from the Mageworlds the discovery is no accident It s a sign a warning that the Mageworlds have not forgotten the Republic and the Magelords make long plans But the Magelords weren t planning on Beka Rosselin Metadi Beka has unfinished business to take care of and his name is Ebenra D Caer the man who arranged her mother s murder D Caer is safe he thinks hidden among the Mages on the far side of the Net Flying under a false name and false colors Beka penetrates the Magezone and finds more than anyone expected the Magelords have discovered a fatal weakness in the Republic s defenses and are poised to wreak their vengeance on the hated enemy The Mages are too strong They must prevail Unless one woman in one ship can do the impossible *Forging the Triple Crown* Michael F. Batcheller, 2025-07-25 Horse racing s Triple Crown much like the World Series Indianapolis 500 and the Super Bowl stands as one of the pinnacle achievements of American sports Its iconic status emerged from the interweaving of three distinct races held across different states a feat that reflects decades of human effort and equine prowess While track operators racing writers owners and trainers all contributed to this evolutionary process it is the Thoroughbred horses that are the central figures of the event This book traces the history of the Triple Crown following the Thoroughbreds from their early days as juveniles and through their three year old season culminating with their later accomplishments as older horses By examining the challenges faced by each generation of foals it reveals how the races captured the public s attention and over time morphed into massive events The intertwined narratives of human contributions and equine accomplishments between 1918 and 1948 illuminate the
