**The Shape of Scriptural Authority** David Lyon Bartlett, 1983      **The Enduring Authority of the Christian Scriptures** D. A. Carson, 2016-02-29 Valuable insights into key disputed topics from a veritable who's who of evangelical scholars In this volume thirty seven first rate evangelical scholars present a thorough study of biblical authority and a full range of issues connected to it Recognizing that Scripture and its authority are now being both challenged and defended with renewed vigor editor D A Carson assigned the topics that these select scholars address in the book After an introduction by Carson to the many facets of the current discussion the contributors present robust essays on relevant historical biblical theological philosophical epistemological and comparative religions topics To conclude Carson answers a number of frequently asked questions about the nature of Scripture cross referencing these FAQs to the preceding chapters This comprehensive volume by a team of recognized experts will be the go to reference on the nature and authority of the Bible for years to come CONTRIBUTORS James Beilby Kirsten Birkett Henri A G Blocher Craig L Blomberg D A Carson Graham A Cole Stephen G Dempster Daniel M Doriani Simon Gathercole David Gibson Ida Glaser Paul Helm Charles E Hill Peter F Jensen Robert Kolb Anthony N S Lane Te Li Lau Richard Lints V Philips Long Thomas H McCall Douglas J Moo Andrew David Naselli Harold Netland Osvaldo Padilla Michael C Rea Bradley N Seeman Alex G Smith R Scott Smith Rodney L Stiling Glenn S Sunshine Timothy C Tennent Mark D Thompson Kevin J Vanhoozer Bruce K Waltke Barry G Webb Peter J Williams John D Woodbridge      *Women and the Authority of Scripture* Sarah Heaner Lancaster, 2002-09-01 Addresses the theological impact of accepting the absolute authority of biblical scripture and its related issues examining how women in the church have dealt with scriptural authority while offering advice on how they can address it in the future Original      [The Light of Grace: John Owen on the Authority of Scripture and Christian Faith](#) Andrew M. Leslie, 2015-08-19 Over the past several centuries John Owen's writings on scripture have captured the attention of numerous interpreters across a relatively diverse range of disciplines His own distinctive contribution to this doctrine was forged with a genuine fear for the on going pre eminence of scriptural authority in the English church firmly in view In the face of various rival perspectives Owen insists every Christian believer ought to be clear on the reason they believe scripture to be the word of God Focussing on the treatise Reason of Faith 1677 in conversation with his wider theological corpus Andrew M Leslie studies Owen's approach to scriptural authority and Christian faith He argues that Owen creatively drew upon an ecumenical dogmatic and metaphysical heritage to restate and refine the traditional Reformed position on scripture's divine authority sensitive to developments in his own late seventeenth century context In particular Leslie explores how Owen shares a growing concern to ground Christian faith in objective evidence all the while ensuring that its ultimate foundation lies in the irresistible authority and truthfulness of God mediated in and by the inspired text of scripture Leslie also draws out the broader significance Owen ascribes to scripture in shaping a believer's relationship with the Triune God especially its vital role in their gradual transformation into

the likeness or image of Christ      God's Word Alone---The Authority of Scripture Matthew Barrett,2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people God's Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it's so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

**Does It Matter Who Wrote the Bible?** David B. Capes,2025-05-20 Students in seminary or graduate theology programs learn that some books in the Bible are anonymous Their professors will make the point that many Pauline letters have disputed authorship and may in fact not be written by Paul Students will also learn about the practice of pseudonymity in the world of the Bible and how some Gospels or letters are written under a false name Now for those who become pastors or church leaders what are they to do with what they learn Do they teach their congregants about these authorship questions Do they ignore that part of their training as irrelevant to the task Do they avoid teaching or reading publicly from disputed books Do these questions not matter in the end because the church settled on the canon This book aims to address these pastoral challenges An international group of scholars from universities seminaries and graduate theology programs convened to discuss these matters at the Lanier Theological Library in May 2022 These essays represent how many faculty are wrestling with the pastoral implications of anonymity and pseudonymity in the New Testament      *The Power and Authority of Holy Scripture, as Illustrated in the Life and Times of Josiah.
