The Unavoidable Surgery:

The Unavoidable Surgery Mati Alon, 2004-03 Israel the land of milk and honey is today deluged by rivers of blood The Arabs are seeking its destruction and the world sits idly by watching in silent complicity Israel's problem is not according to Mati Alon stubborn intransigence but the refusal of the world especially the United States to accept the Jewish people's inalienable right to a homeland This situation is sensitively and comprehensively analyzed in Mati Alon's brave new book The Unavoidable Surgery Mati Alon examines all aspects of Israel's plight the results of the Yom Kippur War the lack of modern leaders the refugee problem terrorism the liberated territories new settlements and Jews in the Diaspora Mr Alon is not afraid to make bold suggestions he calls on Jews everywhere to come to the aid of their homeland Israel For these are trying times indeed and Israel must fight valiantly as she always has if she is to remain in existence When will it all stop When will Jews be free to live in peace in their homeland Haven't they waited long enough But the time now is not a time for waiting but one that requires action The Unavoidable Surgery is a book that must be read by every person concerned with world peace
