Skeleton Lode:

Skeleton Lode Ralph Compton, 2011-06-07 The chase is on and the stakes are high in this western in Ralph Compton's USA Today bestselling series. They're ex-cowpunchers looking to strike it rich and not having much success. When they deliver a wagon of scotch to a shantytown saloon, the bartender drops dead before paying. No sooner do they take over the bar as payment than it burns to the ground. The cloud above Arlo Wells and Dallas Holt has no silver lining. They finally get a break when they receive a message from an old friend along with a map. It seems the grizzled prospector finally hit the mother lode in the Superstitious Mountains only to die shortly thereafter. His last wish was for the two boys to find his beloved nieces and share the claim with them. Easy money except for a few minor problems. Like the despicable stepfather who's got the nieces, a gang of hired gunmen, and the other half of the map, and the Apaches who'll slaughter anyone daring to tread the ground of their sacred mountains. For Arlo and Dallas, this lucky break may be the worst thing ever to happen to them. More Than Six Million Ralph Compton Books In Print

Skeleton Lode Ralph Compton, 1999 A friend's deathbed confession about the location of a lost gold mine inflicts Arlo Wells and Dallas Holt with a case of gold fever, but the race is on when they learn that others know about the location of the golden shaft

Single Family Houses Christian Schittich, 2012-12-17 The private single family house is still very much the preferred choice of home. Yet in recent years there have been many changes, not only in the personal situations of the residents, their expectations, and desires, but also in the rising costs of energy and raw materials. This has meant that issues such as multi-functionalism, the use of innovative building materials, or energy-efficient building methods are increasing in significance. In this completely revised and expanded second edition, these topical developments have been taken into consideration. The organization and layout of the first volume, with its concise and detailed project documentation, has been retained. The authors introduce floor plan solutions using contemporary projects which bear in mind changing family structures. At the same time, the contributions provide an in-depth introduction to planning single family houses, from the design of the floor plan to useful tips for the

realisation In addition to this fundamental information 22 projects are documented providing ideas and inspiration for planners students and clients The international selection of projects highlights current trends in planning and designing single family housing and reveals the tried and tested basics *Bulletin* ,1917 *Bridge Safety, Maintenance, Management, Life-Cycle, Resilience and Sustainability* Joan Ramon Casas,Dan M.
