The Event:

Festival and Event Management in Nordic Countries Tommy Andersson, Donald Getz, Reidar Johan Mykletun, 2014-06-11 This book on events related research marks a watershed in the development of a Nordic School of festival and event research Each of the chapters presents a new and interesting approach to the study of events in terms of methods perspectives or content It is mostly rooted in management theory but also incorporating other perspectives that enhance our understanding of the phenomena Implications for real world applications in tourism hospitality and community development are also at the fore The scholarship is comprehensive not focused on only tourism or economic aspects Management theory including stakeholder management social networks and institutionalization processes is being applied Attention is being given to the multiple roles festivals and events play in society and to evaluation of their worth and impacts Innovative methods are being developed to examine event experiences innovation processes and success factors There is now a critical mass of scholars in the Nordic countries that share a strong interest in event studies and they are engaged in collaborative research making it an appealing and innovative region for other event students and researchers to visit It can be expected that the Nordic school will take an increasingly important place in the development of event studies which is now truly global in terms of scholarship and university degree programs This book was originally published as a special issue of Scandinavian Journal of Hospitality and Tourism

Professional K2 blackpearl Holly Anderson, Jason Apergis, Sergio Del Piccolo, Chris Geier, Codi Kaji, Shaun Leisegang, Igor Macori, Gabriel Malherbe, Jason Montgomery, Colin Murphy, Chris O'Connor, Anthony Petro, Eric Schaffer, Mike Talley, 2011-02-25 K2 blackpearl and the K2 platform is a large powerful game changing application platform built on Microsoft technologies Understanding it from top to bottom would be a great task for a single person which is why we have gathered more than a dozen authors to supply you with the information to successfully transform your company into a process oriented efficient business that can grow with the K2 platform Since this is the first book on K2 blackpearl you will find a broad range of topics in this book from the market in which K2 blackpearl is aimed to the architecture of the platform from how to approach process design to developing your own custom user manager The first part of the book is meant for everyone and provides an understanding of K2 blackpearl and where it fits in the marketplace It is included to provide a framework for thinking about various aspects of process driven applications including how they differ from business process management techniques identifying processes in your company to automate the different pieces that make up a process measuring the success of your efforts and finally shifting your company s culture in the direction of process efficiency This section may be the only section you need to read if you are

sponsoring a process improvement effort in your company If you are responsible for leading the effort make sure to read Chapters 3 and 4 The other parts are meant to provide details on how to effectively deploy and use K2 blackpearl and include a broad range of topics Read what you are most interested in but also make sure to read Chapter 8 which will give you a great foundation to start designing processes with K2 blackpearl Chapter 14 is also recommended for everyone because it provides an overview of the available K2 Designers and how you can share projects among them K2 blackpearl is the main subject of this book although we devote an entire chapter Chapter 23 to the add on product K2 connect to give you an understanding of how to bring SAP data into your processes We also talk a bit about K2 blackpoint particularly in the SharePoint chapters Since K2 blackpoint is built on the K2 blackpearl foundation many of the same concepts apply to that product as well but we do not point out the differences between K2 blackpearl and K2 blackpoint For that information browse to www.k2.com

Between Philosophy and Theology Lieven Boeve, Christophe Brabant, 2010 Long past the time when philosophers from different perspectives had joined the funeral procession that declared the death of God a renewed interest has arisen in regard to the questions of God and religion in philosophy This book brings some of these philosophical views together to present an overview of the philosophical scene in its dealings with religion but also to move beyond the outsider s perspective Reflecting on these philosophical interpretations from a fundamental theological perspective the authors discover in what way these interpretations can challenge an understanding of today s faith
