Antiquarian Book Monthly Review ,1990 **Debutantes** Charlotte Bingham, 2011-09-30 Fans of Louise Douglas Dinah Jefferies and Bridgerton will love this wonderfully evocative and enthralling romantic saga by the million copy and Sunday Times bestselling author Charlotte Bingham Charlotte Bingham always tells a rattling good story Pure escapism Woman and Home A big wallowy delicious read THE TIMES I couldn t put it down it is such compulsive stuff that when I finished it I couldn t wait to start it again Reader review Fabulous reading Reader review Wonderfully clever and witty Reader review THE ULTIMATE BATTLE FOR POWER PRIVILEGE AND MONEY London in the 1890s nicely brought up girls focus on one thing and one thing alone marriage The Season in London and the ultimate goal Coming Out as a debutante are therefore vital in leading them along this path But along the way they have to survive a terrifying few months a make or break time in which their family s hopes for them can only be fulfilled through a proposal For Lady Emily Persse Coming Out means leaving her beloved Ireland and its informalities for England and its stricter codes For Portia Tradescant released

from the boredom of life in the English countryside it means trying to get through the Season despite the best efforts of her eccentric Aunt Tattie For beautiful May Danby the Season is an entrance to a whole other life worlds away from her strict convent upbringing in Yorkshire A London Season is not just about the debutantes themselves It is as much about the women who launch them and the Society which supports their way of life It is also about the battle for power privilege and money fought not in the male tradition upon the battlefield but in the female tradition in the ballroom **Stardust** Charlotte Bingham,2011-03-30 Fans of Louise Douglas and Dinah Jeffries will love this wonderfully evocative and enthralling romantic saga by the million copy and Sunday Times bestselling author Charlotte Bingham Fabulous reading Reader review Wonderfully clever and witty Reader review Very enjoyable and hard to put down Reader review Incredibly well written and engrossing Reader review SHE LL PLAY ANY PART TO GET WHAT SHE WANTS Elizabeth Laurence is astoundingly beautiful A star from the first minute she appears on celluloid her future is certain until she is cast opposite Jerome Didier in a hit play As staggeringly handsome as she is beautiful and tipped to become the leading actor of his generation Jerome would appear to be made for Elizabeth But Jerome has fallen in love with the tousle haired and carefree Pippa Nicholls who is neither conventionally beautiful nor an actress and much to Elizabeth s fury he marries her They are set to live happily ever after until the playwright Oscar Greene creates a part for Elizabeth which she intuitively recognizes is based on the character of Pippa and Jerome is tragically deceived by the duplicity of his art The Nightingale Sings Charlotte Bingham,2011-03-30 Exciting and dramatic but tender and heartfelt this is a novel that you will return to again and again From the million copy and Sunday Times bestselling author Charlotte Bingham for fans of Louise Douglas and Dinah Jefferies A novel rich in dramatic surprises will have you frantically turning the pages DAILY MAIL One of Britain s most bankable novelists THE DAILY EXPRESS I laughed and cried at this tale could visualise the characters scenery and the story Reader Review Great book grabs you on the first page Reader Review A DARING DECISION COULD COST HER EVERYTHING When Cassie Rosse becomes the first woman to train an English Derby winner with her horse The Nightingale she has every right to believe that success is hers at last But life will never be simple for Cassie Rosse not just because she is unable to move out from the long shadows cast by the early death of her husband Tyrone nor because she has an indomitable will to win in the man s world of racing but because she has integrity Against all advice therefore she decides to keep The Nightingale in training and race him as a four year old a decision that triggers a set of circumstances which quickly turn her brilliant triumph into a nightmare **Peripheral Visions** Ian A. Bell,1995 Throughout contemporary British writing the question of national identity recurs By means of its testimony to lived experience the novel seems to offer the possibility of exploring local communities and marginalized identities in various elaborate ways However by its very metropolitanism and as a result of the material circumstances of publishing and the cosmopolitan nature of the audience the British novel inevitably conglomerates around London and its exploration of the remainder of Britain has tended to be patchy and touristy **The British**
