Trophy Buck:

Trophy Buck Elby Dubose, 2005-08-01 I have read so many books about hunting but most of them are about Canada and Michigan or somewhere up North where it snows most of deer season So I have kept records for the last 35 years About hunting without the big money or being a Blue blood and left thousands of acres of land So I have thought that I should turn my notes into a book and tell it like it is The Truth My friend Joey Tisdale and Scottie Burroughs have hunted together forever They have seen me hunt and they had hunted with others before and they even questioned my way I would have 60 acres that I went door to door asking for permission to hunt 40 acres 20 acres and so on So I had to learn fast and learn my way that this year I would have a place to hunt for the next year or I might not So I had to learn quick and with the lack of money and my own land or land from year to year Thus my book **DOING IT THE HARD WAY** is for those that don't hunt because of these reasons That's what my book explains Don't ever give up you can do it even if you don't have a lot of money Be in the woods enjoy the peace and quiet and solitude even if you don't get him this time You've enjoyed mother nature and she's quite a lady The statement of my book is true and the best way I know to get that Trophy Buck is to do what I have explained in the book It has been tried and tested for 35 years You be the Judge This book is about hunting South Carolina and that's hard without big money God Bless Us All and the U S A
