the year 2024 in the subject Business economics Business Management Corporate Governance grade 2 course Master in
International Business language English abstract The objective of this study is to provide recommendations on how to
improve the cooperation between Wolt and its courier partners during and after the Covid 19 crisis based on the views and
opinions expressed by the courier partners in Tallinn The views and opinions of Wolt s courier partners on actions and
strategies implemented by Wolt during the pandemic and preferred relationship status will be used to make suggestions on
how to improve the cooperation between the two parties According to Statista an online database food delivery platforms
along with other service sector businesses in Estonia contributed significantly to GDP over 61% from 2009 to 2019 Moreover
the global turnover of 151 526 million in 2021 was forecast in the sector Online Food Delivery with China expected to
generate the highest turnover and the estimated turnover for Estonia in 2021 is 20 million Statista 2020 1 Wolt one of the
largest e residency companies in Estonia contributes significantly to the Estonian economy by paying social contributions on
behalf of its individual courier partners and paying business courier partners a higher commission to compensate for their
tax expenses By the last quarter of 2020 Wolt has paid up to EUR 300 000 in taxes for its courier partners in Estonia
Therefore the continued survival and profitability of online food delivery platforms in Estonia is important for the well being
