

# The Brontës

**Patricia Ingham**

## **The Brontës:**

**The Brontës** Juliet R. V. Barker, 2010 The story of the tragic Bronte family is familiar to everyone we all know about the half mad repressive father the drunken drug addicted wastrel of a brother wild romantic Emily unrequited Anne and poor Charlotte Or do we These stereotypes of the popular imagination are precisely that imaginary created by amateur biographers from Mrs Gaskell onwards who were primarily novelists and were attracted by the tale of an apparently doomed family of genius Juliet Barker's landmark book was the first definitive history of the Brontës It demolishes myths yet provides startling new information that is just as compelling but true Based on first hand research among all the Bronte manuscripts many so tiny they can only be read by magnifying glass and among contemporary historical documents never before used by Bronte biographers this book is both scholarly and compulsively readable **THE BRONTËS** is a revolutionary picture of the world's favourite literary family As a work of scholarship it is brilliant For those with a passion for the Brontës or for Victoriana or for sheer wealth of historical minutiae it is a stupendous read **INDEPENDENT ON SUNDAY**

**The Brontës and Their Background: Romance and Reality** Tom Winnifrith, 1973 Left behind because he is too young to go to school with his friends a little boy invents games to play with birds animals the falling leaves and his mother *The Bronte Myth* Lucasta Miller, 2007-12-18 In a brilliant combination of biography literary criticism and history *The Brontë Myth* shows how Charlotte Emily and Anne Brontë became cultural icons whose ever changing reputations reflected the obsessions of various eras When literary London learned that *Jane Eyre* and *Wuthering Heights* had been written by young rural spinsters the Brontës instantly became as famous as their shockingly passionate books Soon after their deaths their first biographer spun the sisters into a picturesque myth of family tragedies and Yorkshire moors Ever since these enigmatic figures have tempted generations of readers Victorian Freudian feminist to reinterpret them casting them as everything from domestic saints to sex starved hysterics In her bewitching metabiography Lucasta Miller follows the twists and turns of the phenomenon of Brontë mania and rescues these three fiercely original geniuses from the distortions of legend **The Brontës** Anne Brontë, Charlotte Brontë, Emily Brontë, 1996 *The Brontës* Harold Bloom, 2009 This new edition gathers together some of the best recent analyses of the lives and works of the Brontë sisters Charlotte Emily and Anne Several works of the authors are examined including the classic novels *Jane Eyre* and *Wuthering Heights* *The Brontës at Haworth* Charlotte Brontë, Emily Brontë, Anne Brontë, 1993 Presented in an engaging easy to follow format this collection of little known facts about the Brontë sisters personal lives illuminates both the real lives of Emily Charlotte and Anne at their lifetime Yorkshire home and the narrative worlds they created in their works *Illus* [The Brontës](#) John Cannon, 2011-10-21 What was the nature of the Brontës strange genius Where did it spring from and what inspired it Patrick Brontë father of the Brontë sisters came from Ireland changing his name from Brunty to Bronte when he won a scholarship to Cambridge His children never met their Irish relatives and Patrick was deliberately vague about his origins because of this little has been known about the

family's story is every bit as strange and romantic as those penned by the sisters in their classic novels

**The Brontes** Professor Miriam Allott, Miriam Allott, 2013-10-31 The Critical Heritage gathers together a large body of critical sources on major figures in literature. Each volume presents contemporary responses to a writer's work enabling student and researcher to read the material themselves

**The Brontes** Patricia Ingham, 2014-06-11 The novels of Charlotte and Emily Brontë have become canonical texts for the application of twentieth century literary and cultural theory. Along with the work of their sister Anne their texts are regarded as a source of diversity in themselves, full of conflictual material which different schools of criticism have analysed and interpreted. This book shows how the Brontës writings engage with the major issues which dominate twentieth century theoretical work. The essays are grouped under broad schools of theory: biographical, feminist, marxist, psychoanalytical and postcolonial

The Home of the Brontës Claude Meecker, 1916

In the Footsteps of the Brontës Esther A. Chadwick, 1971

**The Brontes** Jennifer Kasius, 2013-08-13 For all who have longed for Mr Rochester with Jane Eyre or imagined themselves out on the moors with Heathcliff in Wuthering Heights here are each of the novels of Charlotte, Emily and Anne Brontë packed into one pocket sized tome. Enjoy them in small bites or devour its contents in a single sitting. Featuring synopses, character profiles and illustrations, the list of novels include Jane Eyre, Shirley, Vilette, The Professor, Wuthering Heights, Agnes Grey and The Tenant of Wildfell Hall

*Transactions of the Royal Society of Literature of the United Kingdom, London* Royal Society of Literature (Great Britain), 1953

The Brontës Treasury Jane O'Neill, 2018 Published to coincide with the bicentenaries of the Brontë siblings, this quirky volume looks at the life, work and legacy of this wildly creative family. The Brontës Treasury explores Britain's best loved literary family and the enduring popularity of their writing. It reveals why the Brontës novels have intrigued, inspired and shocked millions since their publication more than 160 years ago and how the sisters' social world and surroundings influenced their art. Devoted fans will learn about the provenance of the surname Brontë, why the siblings all died so young, which sister became famous in her lifetime and the passionate love that influenced Vilette

At Home With the Brontës Ann Dinsdale, 2013-03-15 The story of the world famous home of the Brontë sisters. Explores the impact of the Brontës home on their writing and what it was like for their successors living in a literary shrine. New exhibition focusing on the building starts at the Brontë Parsonage Museum in April 2013

**The Brontes in Ireland** William Wright, 2015-07-18 Excerpt from *The Brontës in Ireland: Or Facts Stranger Than Fiction*. I trust it is unnecessary to say that I disclaim all responsibility for the Brontë acts, opinions and sentiments recorded in this book. As no one living could lay claim to Brontë genius even in its less cultured condition, no one should be held responsible for the eccentricities of that genius. It is right, however, that I should express my indebtedness to many for generous encouragement and unstinted assistance in setting in order these fragments of an almost forgotten past. In a very special manner I have to acknowledge my obligation to Dr W. Robertson Nicoll, whose sympathy with the Brontë genius is as profound as his knowledge of the literature is unrivalled. Dr Nicoll has the rare power of kindling the zeal of others at his own torch.

and but for his enthusiasm the story of The Brontes in Ireland would probably never have been published About the Publisher  
Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book  
is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the  
work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in  
the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of  
imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Essays by Divers Hands** Royal Society of Literature (Great Britain),1953      **The Interior** ,1893 Issues for Jan 12 1888  
Jan 1889 include monthly Magazine supplement      The Brontes Harold Orel,2016-07-27 The Brontes living in an isolated  
village in Yorkshire wrote some of the most vivid imaginative and widely read novels of the Victorian Age they also became  
the subject matter of romanticized anecdotes and regrettably distorted biographies The best testimony about what kinds of  
men and women they really were comes from statements they made themselves but because their autobiographical  
commentaries are sparse the record is usefully supplemented in this anthology by first hand statements made not only by  
various inhabitants of Haworth but by those who met members of the Bronte family in Yorkshire London and elsewhere

The Book-lover ,1899
