Works in progress.. Cecilia Hood Ceewee,2024-07-09 Magnificent family and friends Let s keep praising and raising his name up giving him all the glory and the praise for what he s already done today Starting with blowing his breath up our nostrils waking us up circulating his very flow of blood through every vein and vessel Moving us around standing stretching bending moving grooving to his beat and frankly it is the greatest beat alive **My Paperback Book** Nissa

the harvest season ends it is the time of the year when everybody is at home The Yam Festival has come to an end and The New Yam Festival has begun It is an extraordinary celebration of the harvest season the culture and oral traditions of the people who live in the village of Uwaoma It is also an occasion for giving thanks to all the gods of the land for making the harvest possible Achuwanike was the first yam farmer in his village to win a yam title at The Yam Festival Now that the harvest season is over he is in close communion with his family relatives neighbors friends and the spirits of the ancestors of the past present and future for the next harvest season **Vengeance Is Mine** Larry D. Black,2003-02-03 The absence of

fatherhood in America and worldwide is a growing concern because it is affecting our society in so many negative ways Our children are our greatest resource but too many of them are being neglected and left alone to fend for themselves Too many fathers have walked away from the most precious gift they will ever have their children Until more fathers go back and claim their seed and properly nurture their seed the value of the next generation will decline This book is a wake up call It is sounding an alarm to those God have given an awesome charge to train up a child in the way they should go Proverbs 22 6
