Wilde Side:

Talk on the Wilde Side Ed Cohen, 2013-02-01 *Talk on the Wilde Side* focuses on the formation of a new type of sexual category in the newspaper reports of the trials of Oscar Wilde relating this to middle class discussions of masculinity throughout the nineteenth century

WILDE NOW Pierpaolo Martino, 2023-05-08 *WILDE NOW* reads Oscar Wilde through our now through a contemporary sensibility and approach in which literature and popular culture interrogate and are interrogated by critical concepts and categories such as performance celebrity intermediality and consumerism This volume exceeds the shape and meaning of a critical study to turn into a drama of five different acts moments in Wilde's life and work his early performances in Dublin London and Oxford the 1882 American tour his successful season of the first half of the 1890s his prison years and finally his glorious resurrection in contemporary pop culture Most importantly *WILDE NOW* approaches these moments through contemporary rewritings and performances of Oscar Wilde in the fields of cinema music and literature by such artists as Al Pacino Rupert Everett Stephen Fry Gyles Brandreth David Hare David Bowie Morrissey Nick Cave Neil Tennant Gavin Friday These artists through their awareness of the importance of being playing Oscar in their specific worlds and cultural contexts will also show us that Wilde can be conceived as a subversive critical role one might successfully perform and appropriate now more than ever

Joyce and the Perverse Ideal David Cotter, 2013-08-21 Representations of masochism both overt and oblique permeate the work of James Joyce While a number of critics have noted this to date there has been no sustained and focused analysis of this trope in his writings David Cotter argues that such an examination is key to understanding the meanings and messages of Joyce's work Adding further dimensions to moral political and aesthetic considerations in the novels and stories particularly *Ulysses* this book provides a comprehensive account of masochistic elements in James Joyce's work Cotter draws upon psychoanalytic theory and social history to illustrate the subversive power of perversity in the literature of the modern period This edition first Published in 2003 Routledge is an imprint of Taylor Francis an informa company

Fictions of Loss in the Victorian Fin de Siècle Stephen Arata, 1996-08-29 It has been widely recognised that British culture in the 1880s and 1890s was marked by a sense of irretrievable decline *Fictions of Loss in the Victorian Fin de Siècle* explores the ways in which that perception of loss was cast into narrative into archetypal stories which sought to account for the culture's troubles and perhaps assuage its anxieties Stephen Arata pays close attention to fin de siècle representation of three forms of decline national biological and aesthetic and reveals how late Victorian degeneration theory was used to explain such decline By examining a wide range of writers from Kipling to Wilde from Symonds to Conan Doyle and Stoker Arata shows how the nation's twin obsessions with decadence and imperialism became intertwined in the thought of the period His account offers new insights for students and scholars of the fin de siècle
