Zenos Conscience:

Zeno's Conscience Italo Svevo, 2001-11-06 The modern Italian classic discovered and championed by James Joyce Zeno's Conscience is a marvel of psychological insight published here in a fine new translation by William Weaver the first in more than seventy years Italo Svevo's masterpiece tells the story of a hapless doubting guilt-ridden man paralyzed by fits of ecstasy and despair and tickled by his own cleverness His doctor advises him as a form of therapy to write his memoirs in doing so Zeno reconstructs and ultimately reshapes the events of his life into a palatable reality for himself a reality however founded on compromise delusion and rationalization With cigarette in hand Zeno sets out in search of health and happiness hoping along the way to free himself from countless vices not least of which is his accursed last cigarette Zeno's famously ineffectual refrain is inevitably followed by a lapse in resolve His amorous wanderings win him the shrill affections of an aspiring coloratura and his confidence in his financial savoir faire involves him in a hopeless speculative enterprise Meanwhile his trusting wife reliably awaits his return at appointed mealtimes Zeno's adventures rise to antic heights in this pioneering psychoanalytic novel as his restlessly self-preserving commentary inventively embroiders the truth Absorbing and devilishly entertaining Zeno's Conscience is at once a comedy of errors a sly testimonial to the joys of procrastination and a surpassingly lucid vision of human nature by one of the most important Italian literary figures of the twentieth century

Zeno's Conscience - Svevo Italo Svevo, 2024-07-17 Zeno's Conscience is a novel presented as the fictional autobiography of Zeno Cosini an unreliable narrator who recounts his life story to his psychoanalyst The novel is structured around Zeno's attempts to quit smoking his relationships with his father and wife his business ventures and his extramarital affairs Svevo employs a stream of consciousness technique to delve into Zeno's psyche revealing his self-deceptions rationalizations and contradictions Zeno's reflections on his life are marked by irony and humor and his unreliable narration adds layers of complexity to the story One of the central themes of Zeno's Conscience is the exploration of human irrationality and self-delusion Zeno's repeated failures to quit smoking serve as a metaphor for his broader inability to control his impulses and understand his true motivations Svevo's portrayal of Zeno's inner life anticipates many of the themes and techniques later associated with psychoanalysis and modernist literature The novel also reflects Svevo's interest in the emerging field of psychoanalysis influenced by his reading of Sigmund Freud's works Svevo's depiction of Zeno's sessions with his psychoanalyst serves as a vehicle for exploring the complexities of human consciousness and the limitations of self-knowledge

Confessions of Zeno Italo Svevo, 1964 An elderly man undergoing psychoanalysis records his autobiography and disillusioned impressions of his analyst's methods *Confessions of Zeno* Italo Svevo, 1973 *Interstitial Writing* Paolo Bartoloni, 2003 This book pushes literary theory into unexplored grounds to articulate the modern and contemporary condition of interstitiality through an innovative discussion of literary and philosophical underpinnings and interpretation of works by Calvino Caproni Sereni and Svevo It will appeal to Italianists and anyone studying Italian literature **Best**

Modernism Alberto Godioli, 2017-12-02 As best exemplified by the works of Pirandello Svevo Palazzeschi and Gadda Italian modernist fiction is particularly rich in bizarre and ludicrous characters whose originality is often derided by a uniform society On the other hand laughter can also be used by the author or by the misfits themselves as a reaction to the levelling pressure of social life Pirandello's umorismo Svevo's irony Palazzeschi's controdolore and Gadda's satire are all good cases in point Looked at from this perspective early 20th century Italian fiction can set the basis for an innovative reflection on broader comparative themes What is the role of laughter and individual diversity in international Modernism How is modernist eccentricity related to the representations of originality in the 18th and 19th centuries from Sterne to Balzac and Dostoevsky And what does it tell us about the fear of homogenisation as a crucial aspect of the modern social imaginary Building on the analysis of a large corpus of short stories and other major works by the Italian authors at issue as well as on a series of previously undetected intertextual links with the classics of European Realism this book is the first systematic attempt at answering such questions Alberto Godioli is Teaching Fellow in Italian at the University of Edinburgh
