## Hybrid Work Tips:

**HR for Hybrid Working** Gary Cookson, 2022-06-03 Many employees are looking for a mix of remote and office working. How can HR professionals adapt policies and practices to ensure hybrid working is effective for the workforce and the business? HR for Hybrid Working covers everything that people professionals need to succeed in a hybrid working model and manage the transition to this new way of working. It shows why and how contractual documents, policies, pay and reward terms need to change, how to manage changing employee expectations, and how to assess and communicate to staff what work can be done partially remotely and manage the impact on company culture. There is also insight on how to adapt learning and development, L D and wellbeing activities to ensure they support employee development. Alongside expert guidance on how to assess what technology solutions are right for the business, HR for Hybrid Working explains how to manage inductions and exits from the organization when the location of employees is changeable. Packed full of advice, examples and case studies, this book also provides a dedicated section on the new skills needed by HR professionals as organizational roles, structures and processes change in a hybrid working model.

**Handbook of Research on Challenges for Human Resource Management in the COVID-19 Era** Figueiredo, Paula Cristina Nunes, Tomé, Eduardo Luís de Campos Soares, Rouco, José Carlos Dias, 2022-06-10 The importance of people in organizations has been growing in the organizational environment over the last decades. Digital transformation, artificial intelligence, and sustainability have already reinforced the role of people as a differentiating element for the success and survival of organizations. These phenomena alone are already challenging for people. There is a consensus that the world of work as we knew before the pandemic will not return. Human resource management (HRM) practices must prepare organizations for the future of work. The Handbook of Research on Challenges for Human Resource Management in the COVID-19 Era analyzes the state of the art HRM in a digital transformation context and investigates the factors that promote more learning and development dynamics in organizational contexts. It also evaluates the impact of HRM policies on individuals, organizations, and societies. Covering topics such as corporate social responsibility, job satisfaction, and electronic performance monitoring, this major reference work is a crucial resource for leaders from public and private companies, human resource professionals, specialists, students, and educators of higher education, researchers, and academicians.
