Redemption Erica Hayes,2013-03-05 Japheth the Tainted is on the hunt for a mysterious demon vampire But meeting her face to face might disarm his warrior spirit and spark an unquenchable passion with apocalyptic consequences As a fallen angel Japheth is determined to make his way back to heaven by staying pure and slaying hellspawn With a new scourge of vampires unleashed by a blood drinking demon the Prince of Thirst there s plenty to be done But Japheth is after one vampire in particular the one they call the Angel Slayer Rose Harley never wanted to be a vampire but the Prince of Thirst can turn even the kindest soul into a soldier of hell Feeling abandoned by God she stalks the West Village taking revenge on his angels until she meets her match When Japheth and Rose encounter each other the battle is fierce and charged with desire But when they discover a common enemy the Prince of Thirst himself they form a dangerous alliance that could either cost them their eternal lives or spark a love more powerful than heaven or hell

England's Amorous Angels, 1813-1823 Gayle Shaddock,1990-08-29 Between 1813 1823 five major poems appeared in England exploring the subject of sexual union between sons of God usually depicted as angels and daughters of men usually depicted as Cain s female descendants Why angels were suddenly conscripted into active service to serious poetry by poets who expected and yet who really did not expect that these embodied male angels would be taken seriously is the question this text seeks to answer

Why I Satan Hate The Woman Joseph Brice,2025-04-29 Why I Satan Hate the Woman by Joseph Brice is a thought provoking exploration of one of the most pivotal moments in biblical history the serpent s deception of Eve in the Garden of Eden Far from the traditional narrative that casts Eve as weak or gullible Brice presents a powerful reframe Eve was targeted not by accident but because of her divine design She embodied life purpose and potential everything Satan envies and cannot possess This book delves deep into the spiritual symbolism of womanhood exposing why Satan s hatred toward Eve was never just about Eden but about the life giving power women carry across

generations Through biblical insight and cultural reflection Brice uncovers the enemy's long war against marriage motherhood identity and influence Yet amid the darkness he celebrates the rising of strong resilient women those who throughout history and especially in today's world are reclaiming their God-given authority With a timely reflection on challenges like the COVID-19 pandemic Brice affirms that women are not only surviving adversity they are emerging as essential leaders and change makers This book is both a vindication of Eve and a rallying cry for women to rise lead and walk boldly in their purpose Why I Satan Hate the Woman challenges long-held beliefs about gender power and identity and offers a transformative vision of womanhood rooted in divine truth It is a call to reject fear reclaim your voice and embrace the truth you are fiercely loved divinely equipped and destined to lead To every woman reading this You were never the enemy's mistake you've always been his greatest threat This book challenges conventional interpretations and delves into the deeper spiritual and symbolic meanings behind Eve's role in this ancient narrative Brice argues that Eve was not merely a passive participant in the fall of man but was targeted by the serpent for a specific and profound reason Through a detailed analysis he reveals that Eve's significance goes far beyond the traditional story suggesting that she was chosen for a higher purpose that has been overlooked and misunderstood for centuries The book also examines the ongoing spiritual warfare between good and evil particularly focusing on the enemy's consistent efforts to undermine relationships marriage and family Brice posits that the assault on Eve and by extension all women is a reflection of Satan's deep-seated hatred for the life-giving and nurturing power that women possess Why I Satan Hate the Woman vindicates Eve and celebrates women's strength resilience and leadership throughout history and contemporary society It highlights women's ongoing struggles and calls for recognizing their true worth and potential In this special edition Brice also reflects on the challenges posed by the COVID-19 pandemic noting how women emerge as key leaders in a rapidly changing world He urges women to embrace their destinies as leaders and change makers recognizing that they are uniquely positioned to shape the future This book is a rallying cry for women to step into their rightful place of leadership and influence offering a transformative journey that challenges readers to reconsider the spiritual and cultural narratives that have long shaped our understanding of gender power and purpose With all of the past hate abuse and pain the woman proves to be loved by God and is catapulting to the highest positions of leadership like never before Women are becoming the new face of leaders of this modern world in which we live To ignore facts of a power much greater than her own that's driving her we would be foolish to say the least It's as though something is in a hurry to establish her in power She has come so far but much more work is needed This book acknowledges Great Women's Achievements throughout history Amazingly throughout history she has been the target of rejection and abuse This book is a bold call for women to rise into their God-given leadership and influence It offers a transformative journey that reclaims purpose and challenges the spiritual and cultural lies about gender and power Your enemy hasn't forgiven Eden but Jesus already has Woman God loves you
