## **The Freelands:**

The Freelands John Galsworthy, 1935      The Freelands John Galsworthy, 1915      **The Freelands (Volume 2 of 2) (EasyRead Super Large 24pt Edition)** John Galsworthy, 2006

The Freelands by John Galsworthy is a novel likely written in the early 20th century. The story revolves around the Freeland family, particularly focusing on brothers Felix and Tod and their experiences amidst changing societal values and the tensions within their rural community. The narrative begins with a poignant depiction of rural life and quickly introduces the complexities of family dynamics, societal expectations, and the looming impacts of industrialism. The opening of *The Freelands* paints a vivid landscape of Worcestershire's countryside and introduces main characters such as Felix Freeland, an author with critical views on society, and his brother Tod, who leads a more rustic life. As Felix navigates through London to attend a family meeting, he contemplates the mediocrity of those around him, juxtaposed against Tod's existence amidst nature. The contrasting lives of the Freeland brothers are set against a backdrop of familial responsibilities, societal upheaval, and the young generation's potential for rebellion, particularly through Tod's children, Derek and Sheila, who embody the tensions between tradition and change in their community. This setup suggests a story rich with themes of personal and social conflict.

This is an automatically generated summary.

*The Freelands* John Galsworthy, 2025-12-05. Reproduction of the original. The Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage.
