## **The Penultimate Truth:**

**The Penultimate Truth** Philip K. Dick, 1984 What if you discovered that everything you knew about the world was a lie That s the question at the heart of Philip K Dick s futuristic novel about political oppression the show business of politics and the sinister potential of the military industrial complex This wry paranoid thriller imagines a future in which the earth has been ravaged and cities are burnt out wastelands too dangerous for human life Americans have been shipped underground where they toil in crowded industrial anthills and receive a steady diet of inspiring speeches from a president who never seems to age Nick St James like the rest of the masses believes in the words of his leaders But all that changes when he travels to the surface where what he finds is more shocking than anything he could possibly imagine BOOK JACKET

**Philip K Dick** Christopher Palmer, 2003-03-01 Once the sole possession of fans and buffs the SF author Philip K Dick is now finding a much wider audience as the success of the films Blade Runner and Minority Report shows The kind of world he predicted in his funny and frightening novels and stories is coming closer to most of us shifting realities unstable relations uncertain moralities Philip K Dick Exhilaration and Terror of the Postmodern examines a wide range of Dick s work including his short stories and posthumously published realist novels Christopher Palmer analyses the puzzling and dazzling effects of Dick s fiction and argues that at its heart is a clash between exhilarating possibilities of transformation and a frightening lack of ethical certainties Dick s work is seen as the inscription of his own historical predicament the clash between humanism and postmodernism being played out in the complex forms of the fiction The problem is never resolved but Dick s ways of imagining it become steadily more ingenious and challenging **Pink Beam** Lord Rc, 2007-07-01 A study of the novels and short stories of science fiction writer Philip K Dick 1928 1982 with presentation of a literary chronology of his career

Future T/Issues Ruth Gehrman, 2024-07-01 Transplant practices are discussed in the medical realm in fictional texts and in popular advertisement Yet how do these sectors intersect and influence each other How can the accounts of surgeons invested in transplant practice be brought into conversation with fictional voices Future T Issues positions transplantation at the intersection of natural science and the humanities and adds to the discussion of organ transplantation by focusing on one specific aspect that is commonly overlooked the idea of speculation By engaging with speculative fiction in conversation with life writing it contributes to a more thorough understanding of transplantation as a cultural practice showcasing that transplantation is imagined as part of the future both within and beyond the literary sphere Hereby this book establishes the relationship between literary and medical narratives as reciprocal in effect eroding boundaries between the life sciences and literary studies As an interdisciplinary endeavor this study contributes to literary studies specifically to the fields of life writing speculative fiction and young adult fiction it offers insights for the study of transplantation in the popular realm and adds to the medical humanities *Foundation*, 1993 Clans Of The Alphane Moon Philip K. Dick, 2013-04-16 From Philip K Dick the Hugo Award winning author of The Man in the High Castle and Do Androids Dream of Electric Sheep the basis for

the film Blade Runner Clans of the Alphane Moon explores the meaning of mental illness through the actions of people with clinical disorders and those of the doctors tasked with curing them For years the third moon in the Alphane system was used as a psychiatric hospital But when war broke out between Earth and the Alphanes the hospital was left unguarded and the inmates set up their own society made up of competing factions based around each mental illness When Earth sends a delegation to take back the colony they find enclaves of depressives schizophrenics paranoiacs and other mentally ill people coming together to repel what they see as a foreign invasion Meanwhile back on Earth CIA agent Chuck Rittersdorf and his wife Mary are going through a bitter divorce with Chuck losing everything But when he is assigned to clandestinely control an android accompanying Mary to the Alphane moon he sees an opportunity to get his revenge **Philip K. Dick** Hazel Pierce,1982 *The Man Who Japed* Philip K. Dick,2012-05-15 Following a devastating nuclear war the Moral Reclamation government took over the world and forced its citizens to live by strictly puritanical rules no premarital sex drunkenness or displaying of neon signs all of which are reinforced through a constant barrage of messaging to the public The chief purveyor of these messages is Alan Purcell next in line to become head of the propaganda bureau But there is just one problem a statue of the government s founder has been vandalized and the head is hidden in Purcell s closet In this buttoned up society maybe all a revolution needs is one really great prank Philip K. Dick Samuel J. Umland,1995-01-24 This book contains 11 essays and a comprehensive bibliography The essays reveal the extent to which Philip K Dick s personal obsessions pre figured postmodernist concerns with humanity s self alienation cultural and personal paranoia and the politics of simulation deceit and self deception The contributors reveal how Dick s ontological concerns stated in his repeated questioning of What is real are also political concerns Thus they examine the philosophical and religious foundations on which his work rests offering much needed arguments which reveal both his philosophical depth and the extent to which he drew from esoteric and occult religions His cultural critique also receives significant exposition as the contributors reveal how Dick s fiction enacts the larger cultural struggles of cold war America with its conflicting private visions and public realities and its personal and political loyalties The contributors argue for the significance of heretofore neglected or marginalized texts of Dick as well including in their discussions many early short stories from the early 1950s and neglected novels of the mid 1960s arguing that there is a need to understand how Dick shaped or misshaped his fictions so as to reimagine the life of his society **The Game-Players Of Titan** Philip K. Dick,2012-10-23 Years ago Earth and Titan fought a war and Earth lost The planet was irradiated and most of the surviving population is sterile The few survivors play an intricate and unending game called Bluff at the behest of the slug like aliens who rule the planet At stake in the game are two very important commodities land and spouses Pete Garden just lost his wife and Berkeley California but he has a plan to win them back That is if he isn t derailed by aliens psychic traitors or his new wife The Game Players of Titan is both satire and adventure examining the ties that bind people together and the maddening peccadilloes of bureaucracy whether the bureaucrats are

humans or alien slugs      *The Man in the High Castle* Philip K. Dick,2012-01-24 In this Hugo Award winning alternative history classic the basis for the Amazon Original series the United States lost World War II and was subsequently divided between the Germans in the East and the Japanese in the West It s America in 1962 Slavery is legal once again The few Jews who still survive hide under assumed names In this world we meet characters like Frank Frink a dealer of counterfeit Americana who is himself hiding his Jewish ancestry Nobusuke Tagomi the Japanese trade minister in San Francisco unsure of his standing within the bureaucracy and Japan s with Germany and Juliana Frink Frank s ex wife who may be more important than she realizes These seemingly disparate characters gradually realize their connections to each other just as they realize that something is not quite right about their world And it seems as though the answers might lie with Hawthorne Abendsen a mysterious and reclusive author whose best selling novel describes a world in which the US won the War *The Man in the High Castle* is Dick at his best giving readers a harrowing vision of the world that almost was The single most resonant and carefully imagined book of Dick s career New York Times      [Eye In The Sky](#) Philip K. Dick,2012-05-15 I have never seen its theme handled with greater technical dexterity or given more psychological meaning Fantasy and Science Fiction When a routine tour of a particle accelerator goes awry Jack Hamilton and the rest of his tour group find themselves in a world ruled by Old Testament morality where the smallest infraction can bring about a plague of locusts Escape from that world is not the end though as they plunge into a Communist dystopia and a world where everything is an enemy Philip K Dick was aggressively individualistic and no worldview is safe from his acerbic and hilarious take downs *Eye in the Sky* blends the thrills and the jokes to craft a startling morality lesson hidden inside a comedy      *Ubik: The Screenplay* Philip K. Dick,2012-04-17 An accident has occurred Joe Chip and his colleagues all but one of them have narrowly escaped an explosion at a moon base Or is it the other way round Did Joe and the others die and did the one fatality Glen Runciter actually survive From the stuff of space opera Dick spins a deeply unsettling existential horror story a nightmare you ll never be sure you ve woken up from Lev Grossman Time In 1974 Philip K Dick was commissioned to write a screenplay based on his novel *Ubik* The film was eventually scrapped but the screenplay was saved and later published in 1985 Featuring scenes that are not in the book and a surreal playfulness the style of the writing goes back in time just like the technology in the book s dreamworld this screenplay is the only one Dick wrote and features his signature mix of paranoia humor and big idea philosophy      **The Three Stigmata of Palmer Eldritch** Philip K. Dick,2011-10-18 A Nebula Award nominee from the Hugo Award winning author of *The Man in the High Castle* Philip K Dick s *The Three Stigmata of Palmer Eldritch* explores the desolation of the minds souls and hearts of colonists on Mars in a psychedelic odyssey of hallucinations within hallucinations from which no reader emerges unscathed Boston Globe On Mars the harsh climate could make any colonist turn to drugs to escape a dead end existence Especially when the drug is Can D which translates its users into the idyllic world of a Barbie esque character named Perky Pat When the mysterious Palmer Eldritch arrives with a new drug called Chew Z he offers a
