The Way They Should Go

Dinah Maria Mulock Craik

The Way They Should Go:

Train Them Up the Way They Should Go James Fuller, 2022-04-19 You must love a child from the time the sperm unites with the egg and tell yourself aEURoeI would make up my mind that I would love the child all my life regardless of physical characteristics mental abilities and personality or anything the child might say or do aEUR Reading this book should convince you that if we are to raise children to be successful we must first teach them what success is I believe there is no true success without complete commitment to and complete faith in God We should start teaching our children the right way to go from the day they are born In fact we must start long before they are born so that both the parents and the child will be prepared to learn the way to live from the beginning If we wait until the child is a teenager to teach them these things it may be too late Also with the love of Christ in our hearts we must set the right examples of responsibility honesty integrity work ethics and the like especially because the child is born with the instinct to be like the parents We must teach our children to love America Not just respect it but to really love and appreciate our great country as well Our children should be loved the same whether they have an IQ of 180 or they struggle to make passing grades We must love them just the same if they have physical or mental impairments We must warn them of the evils of alcohol drugs sex outside of marriage greed selfishness and all the other sins which keep them from having a successful life The Works of Joseph Butler, D.C.L.
