Wobbly Tooth:

A to Zoo Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times program and curriculum planning readers advisory or collection development this updated edition of the well known companion makes finding the right picture books for your library a breeze Generations of savvy librarians and educators have relied on this detailed subject guide to children s picture books for all aspects of children s services and this new edition does not disappoint Covering more than 18 000 books published through 2017 it empowers users to identify current and classic titles on topics ranging from apples to zebras Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children s picture books making it both a comprehensive and user friendly resource that is accessible to parents and teachers as well as librarians It can be used to identify titles to fill in gaps in library collections to find books on particular topics for young readers to help teachers locate titles to support lessons or to design thematic programs and story times Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles

Bite and Smile Robert Sudha Hamilton, 2025-10-15 350 pages of sparkling enamel enhancing information about your teeth and gum health Making that informed choice about your dental care can only come through getting to know the subject Knowledge is power This book is split into bite sized topics so that you can brush up on the stuff important to you Whether it be finding out about specific dental procedures that you might be facing or more generic oral care matters Again the essential caveat here is that everything I have written is not sponsored by someone or something rather it is conceived and created without fear or favour Remember that most stuff you read online is pushing a company line and is not commercially neutral Therefore it is not really objective data Robert Sudha Hamilton has been writing professionally about dentistry for almost 20 years His number one rule throughout has been an adherence to factuality to scientific knowledge via his research into each topic The information you will encounter within this book will be relevant and truthful to the best available source material available at the time of writing At a time when factuality is partisan and questionable in many other areas of life you don t want such an approach when it comes to dentistry *Bite Smile* Delving into dental care for an informed choice

Trevor's Wiggly-Wobbly Tooth Lester L. Laminack, 1998 The hilarious heartwarming tale tells the story of an anxious boy and a very loose tooth Trevor the last in his class to be a member of the Missing Tooth Club finally has a wiggly tooth Each day he proudly shows his friends how it wiggles more and more But each friend in turn cautions him about the scary ways a loose tooth can be pulled out from fingers to string to pliers Trevor wants his tooth to come out but he doesn t want someone to yank it out When Grandma Sally shows his class how to make old fashioned taffy Trevor learns there are also fun ways to pull a tooth With a delightful twist at the end that hints at the cyclical nature of life Lester Laminack s humorous story captures the anxious joy that each child experiences with his or her first loose tooth Kathi McCord s whimsical
