Wolf In Waiting:

WOLF IN WAITING Rebecca Flanders,2014-11-15 Forbidden lovers He was the standard against which all others were measured the strongest the smartest the sexiest and the most noble kind Noel Duprey whose birthright forbade him even to look Victoria St Clare s way for his destiny would never allow him to take her as his bride Furthermore Noel believed she was a traitor out to destroy his legacy out to destroy him But all she was really after was his heart Within a few lost souls the Heart of the Wolf beats fierce and wild Feel them fear them tame them **Secret of the Wolf** Rebecca Flanders,1999

Sebastian's Way George Steger,2013-10-03 IN A DARK AGE OF UNENDING WAR AND VIOLENCE ONE YOUNG WARRIOR OPPOSES A MIGHTY KING TO FORGE A NEW PATH TO PEACE During the savage Frankish Saxon wars the moving force of his age Karl der Grosse King Charlemagne fights and rules like the pagan enemies he seeks to conquer But in the long shadow of war and genocide a spark of enlightenment grows and the king turns to learned men to help him lead his empire to prosperity One of these men is the unlikely young warrior Sebastian Raised in an isolated fortress on the wild Saxon border Sebastian balances his time in the training yard with hours teaching himself to read seeking answers to the great mysteries of life during an age when such pastimes were scorned by fighting men Sebastian s unique combination of skills endears him to Charlemagne and to the ladies of the king s court though the only woman to hold his heart is forbidden to him As the king determines to surround himself with men who can both fight and think beyond the fighting Sebastian becomes one of the privileged few to hold the king s ear But the favor of the king does not come without cost As Charlemagne s vassals grapple for power there are some who will do anything to see Sebastian fall from grace including his ruthless cousin Konrad whose hatred and jealousy threaten to destroy everything Sebastian holds dear And as Sebastian increasingly finds himself at odds with the king s brutal methods of domination and vengeance his ingrained sense of honor and integrity lead him to the edge of treason perilously pitting himself against the most powerful man of his age This fast paced adventure story brings Charlemagne s realm to life as the vicious Christian pagan wars of the eighth century decide the fate of Europe Filled with action intrigue and romance Sebastian s Way is a riveting and colorful recreation of the world of Europe s greatest medieval monarch **Operation Chicken Neck** Dev Kumar ,2026-02-11 The story behind Operation Chicken Neck revolves around a village just on the Siliguri Corridor in northern West Bengal also known as the Chicken Neck Corridor in geo political and geo strategic narratives The area is a hub of illegal activities mainly because of its proximity to the international borders of two neighbouring countries Nepal and Bangladesh However the biggest problem faced by local Hindu inhabitants of the village is the ever increasing footprint of Muslim infiltrators from neighbouring Bangladesh In this situation can Hindutva rise up in West Bengal and save this state from falling into the hands of enemy forces trying to weaken India The Hindu resistance in Bengal requires a different approach to tackle the forces of Muslim expansion that are relentlessly being pushed from Bangladesh by powerful pan Islamist groups Two Indian ex servicemen undertake a daunting

and daring project to tackle the steadily increasing footprint of the Muslim infiltrators and secure this critical strategic flashpoint which is often seen by India's enemies as its Achilles' Heel. The actions and interactions of both these ex-soldiers involve numerous people from Siliguri right down to Kolkata and the Kishanganj district of the neighbouring state of Bihar as well as the neighbouring country of Bangladesh and even far away Britain. The Chicken Neck Corridor is a geo-strategic pressure point on the map of India which is seen as the country's Achilles' Heel by its enemies who feel that they can bring India down to its knees by cutting out a slice of this so-called chicken's neck. However, for ex-servicemen Ranjit Thakur and Dipankar Shome, right on Ground Zero in the desolate rural town of Baikunthapur, it is sheer survival in a placidly hostile environment against an enemy that seemed to be looming all over like a dark shadow. The two ex-servicemen know that the Bengali Bhadrak culture has been slow to accept and adapt to the surge of Hindutva in West Bengal. As Bhadrak themselves, they have the responsibility to get most if not all the Bengali Bhadrak under the ambit of Hindutva. Thakur and Shome knew that most folks in this forlorn rural town were not able to see the looming dark shadow engulfing their homes and hearth. They must ensure that the Chicken Neck controversy is understood well by every Bengali Hindu in West Bengal and how they must unite to defeat the evil designs of the expansionist forces of Islam. Operation Chicken Neck was the culmination of the efforts of these two ex-servicemen to raise the perfect storm that obliterated the looming dark shadow over the Chicken Neck Corridor. It's a story of courage, patience, and confidence that eventually brought success against odds that seemed insurmountable.

Jace's Mate Elizabeth Lennox, 2025-08-29. He is her mate. She is his. And nothing—not enemies, not secrets, not even her own fears—will keep him from claiming her. Anikka has spent her entire life under the strict rule of her so-called uncle, never questioning why they constantly move, why she's forbidden from leaving, or why a restless, untamed energy stirs inside of her. She has no idea she's a wolf shifter until the moment she scents him. Jace Ulfer, the powerful Alpha of the East Coast pack, recognizes Anikka as his mate the instant her scent reaches him. But there's one problem: she doesn't even know what she is. Raised in ignorance, trapped in a life of obedience, Anikka has been kept from the truth of her nature. And worse, there are forces determined to keep them apart. Jace is patient, possessive. He will guide Anikka into his world, into her own power, and into his arms where she belongs. But Anikka has spent a lifetime dreaming of freedom, and she refuses to trade one cage for another. What she doesn't yet understand is that true freedom isn't running away; it's surrendering to the wild, primal bond that pulls her to Jace.

The Loop Nicholas Evans, 1999-09-07. From the author of *The Horse Whisperer* comes the phenomenal #1 New York Times bestseller, an extraordinary new novel of love, family, and man's struggle with the wild. A pack of wolves makes a sudden, savage return to the Rocky Mountain ranching town of Hope, Montana, where a century earlier they were slaughtered by the thousands. Biologist Helen Ross has come to Hope from the East, fleeing a life in shambles, determined to save the wolves from those who seek to destroy them. But an ancient hatred awaits her in Hope, a hatred that will tear a family and ultimately the community apart. And soon, Helen is at the center of the
