David Morris Roth, 1918 **Wolf** L. David Mech, 2012-05-16 Throughout the continents of Eurasia and North America primitive man evolved in association with wolves. Wolves competed with him as a hunter and raided his flocks and herds. Inevitably folklore became rich in tales of this powerful resourceful creature. Europeans reached North America with their attitudes already formed. The wilderness pressed in upon their tiny settlements in constant threat and all energies were devoted to destroying it and turning its inexhaustible resources to use. Over vast areas of the continent the wolf went down with the wilderness before the unprecedented effectiveness of our technological attack on the ecology of a continent. Today however there is a great tide of concern over the consequences of our assault on the wild lands and wild creatures on the continent and more and more biologists are devoting their knowledge and energy to searching studies of our land and its native biota. The wolf has been the subject of detailed study by a number of ecologists on this continent who make use of all the research devices now available. Much of our knowledge is very recent, is increasing rapidly and has resulted from the work of a mere handful of keen resourceful and courageous students of wolf biology. This the first book to attempt a complete account of the biology of the wolf draws from years of field research and upon the rich literature from two continents. From the foreword by Ian McTaggart Cowan **The Wolf's Bride** R. L. Medina, 2024-02-29 A cursed shifter. A nature witch. A quest that will bring them together. Serafina Silveri is the daughter of a seer and well known for her biting tongue and short temper. Though the town doesn't know her secret power they've long suspected her of being just as witchy as her sisters. Spending her days helping her mother care for their enchanted villa and running errands in town Serafina longs for something more exciting. Angelo Rossi left Zamerra years ago with a plan to return and win the heart of the fiery witch he grew up with. When tragedy strikes he's left cursed and his dream shattered. Back for a final farewell Angelo is reminded of the home and people he's giving up. Seeing her chance to leave town and find adventure Serafina sets out to help her childhood rival break his curse. She has long since buried her feelings for the stubborn Angelo but the more time she spends with him the more she's in danger of falling for him again. Can they break his curse and heal their old wounds or will their quest fail and bring more heartache for both of them. Welcome to Zamerra where cozy fantasy intertwines with Italian cottage core and fairy core. Within this gaslamp fantasy realm you'll find witches, fae, warlocks, house elves and much more.
