The Woman Destroyed Simone De Beauvoir,1987-08-12 By the world famous writer and feminist Simone de Beauvoir here are three moving stories which eloquently express her understanding of women and the crises they face in mid life

Nawab Faizunnesa's Rupjalal Phayajunnesā Caudhurāṇī,2009 In the framework of a romantic tale Faizunnesa recorded how women were always treated as agents of chaos and desire and how their resisting voices were always silenced in a religiously motivated society This book examines her text as a critique of male dominance in the Muslim society of colonial Bengal

Women in the Work of Woody Allen Martin Hall,2025-10-01 Considering the current climate of the treatment of women in Hollywood following the Harvey Weinstein case many male celebrities have been brought forward on charges of sexual harassment including Woody Allen who has once again appeared in the press in relation to historic charges of molestation Within the context of the MeToo era this edited volume brings together researchers to consider how women are represented in the broader sphere of Hollywood cinema to consider the notion of the male perspective on writing women and to explore the various approaches to relationships with and between women on screen all through the lens of the work of Woody Allen While acknowledging the problematic consideration of the autobiographical nature of filmmaking this book explores the role and representation of women throughout Allen s films plays stand up comedy and other writings With more recent industrial attention towards the production of his work notably Amazon Studios refusing to distribute a completed film the work of Woody Allen remains markedly problematic and demands interrogation demonstrating the timeliness of this current volume

The Novels of Simone De-Beauvoir Elizabeth Fallaize,2024-11-01 First published in 1988 The Novels of Simone de Beauvoir concentrates specifically on the novels of the famous 20th Century French writer Simone de Beauvoir Her novels are popular with both the students and general readers of literature and philosophy and they will welcome this authoritative introduction to Beauvoir s fiction The author examines Beauvoir s choice of narrative strategies and interprets them both in relation to the sexual politics of writing and in relation to the place which the constraints of history class and gender increasingly play in the texts All quotations are translated

Simone de Beauvoir (Life & Times) Lisa Appignanesi,2005 Born in 1908 Simone de Beauvoir was a brilliant scholar and novelist leading member of the existentialist movement and a committed socialist and feminist Raised in a stiflingly respectable environment as a young woman she totally rejected her parents values and embarked on her literary career With Jean Paul Sartre she formed a unique relationship which she described as The one undoubted success in my life Later in life she was committed to achieving radical social and political change but it was writing that gave meaning to her life above everything she valued her own intellectual audience

Philosophy as Passion Karen Vintges,1996 Philosophy as Passion refutes the commonly held view of Simone de Beauvoir as no more than an acolyte of Jean Paul Sartre Karen Vintges delineates Beauvoir s independent original ethics and philosophy drawing on the moral philosophical treatises of the 1940s and 50s The Second Sex The

Mandarins and her autobiographical works Vintges shows that Beauvoir s unique notions added an ethical dimension to existentialist philosophy Drawing on Foucault s concept of ethics as an art of living Vintges shows how Beauvoir developed an individual ethic as an intellectual woman Philosophy as Passion illustrates how closely Beauvoir s life and work were intertwined how she lived her philosophy and philosophized her life
