Systematic Theology Dr. Althea C. Johnson, 2023-07-13 About the Book Systematic Theology, sometimes referred to as Constructive Theology or Dogmatic Theology, is a discipline which aims at arranging religious truths into a self-consistent whole. The main goal of Systematic Theology is to present the major themes of Christian faith in an ordered fashion that remains faithful to biblical witness. Systematic Theology incorporates historical, biblical, and sometimes philosophical theology into its system. The book Systematic Theology takes out major events in the Bible and arranges them in a sequential order from beginning to end so readers may have a better understanding of biblical features mentioned in the Bible. It goes into a deep analysis of certain topics surrounding God, the church, and the world we know today. It is author Dr. Althea C. Johnson's goal with the guidance of God to break down events in the Bible that may seem incomprehensible to those who have some or no knowledge of Systematic Theology.

Pulpit Peddlers or Godly Preachers Warren E. Anderson Sr.,Jonathan M. Anderson, Sr.,2021-03-16 We are sure that from the outset the title of this book has raised eyebrows It has been the topic of many heated conversations and perhaps most of all it has probably caused a lot of consternation among our fellow ministers of the Gospel This book is not designed to bash any preacher However this book does have a twofold purpose First it is to expose and mitigate the negative impact that those individuals who are peddlers of the Word of God as identified by the Apostle Paul in 2 Corinthians 2 17 are having on the church and especially on those in the church who are still babes in Christ and vulnerable to this brand of corrupt pulpit rhetoric Further this book is designed to also hopefully open the eyes of all believers old and new veterans or rookies who are also listening and taking heed to the pulpit peddlers pimpish rhetoric and missing the true intent and nature of the saving Gospel of Jesus Christ Second and equally if not more importantly this book sets the record straight and resolves the controversy surrounding the preaching of prosperity from the pulpit This book engages both the topic and the reader from what is written in God s Word We avoid popular opinions as well as our own wisdom Instead this book resolves the prosperity controversy based on what God has said about it in His inspired Word By the time you get to the end of this book you will be certain that it is God s will to bless you based on His riches in glory However you will also be certain that God does so according to His individual will for each of us and that He is able to exceedingly and abundantly give above all we can think or ask
