The Forger:

The Forger's Wife John Lang, 2021-11-09 In *The Forger's Wife* John Lang intricately weaves a narrative that masterfully explores the intersections of identity, betrayal, and artistry. Set against the backdrop of 19th-century art forgery, this novel delves into the psychological dimensions of its characters with a keen eye for detail and a stylistic elegance that befits the period. Lang employs a rich descriptive language that immerses the reader in the world of art, deception, and the moral dilemmas faced by those entangled in the nefarious underbelly of creativity. The interplay between authenticity and imitation serves as a central theme, compelling readers to question the very nature of art itself. John Lang, with a background in both literature and the visual arts, draws from his extensive knowledge of the art world to craft a narrative that resonates profoundly. His fascination with the lives of artists and forgers provides a unique lens through which the characters are explored and developed. Tale Stephanie Newell, 2006 Publisher Description *The Forger's Forgery* Clay G. Small, 2021-04-20 When Art Mimics Life Somebody's Going to Get What's Coming to Them Henry Lindon's flight across the North Atlantic was turbulent and sleepless. His plane has just touched down in Amsterdam, where he's come to work as a visiting professor. Lindon is torn about leaving his troubled wife Marylou behind in Dallas but relieved and excited to start a new chapter in a lively city. The taxi drops him off at an elegant building at Roetersstraat 81, where he's greeted by his university liaison and soon to be neighbor, the lovely and spunky art professor Bernadette Gordon. After settling into his apartment, Lindon changes clothes and sets out to explore canals and cafés, wondering what the dinner invitation from Bernadette means for his fresh start. But troubles from the past soon cross the Atlantic. Lindon discovers that notorious Dutch art forger Han van Meegeren, born in 1899, is about to play a part in Lindon's own personal drama. With evil closing in, Lindon, Bernadette, and Marylou find that secrets of the art world

may hold the key to settling old scores and putting a predator away for good Whether you are familiar with the world of Henry Lindon from author Clay Small s first book Heels Over Head or this is your introduction to his works you re in for an exciting and unusual international adventure with characters that will live on in your memory long after you ve finished the book
