G-Force: Flying the World's Greatest Aircraft James Bennet,2016-10 Read what military pilots have to say about flying some of the most incredible fighting aircraft ever built It s like a 20 million strap on carnival ride AH 64 Apache Pilot I had high expectations and it s beat eery one of those The whole jet is awesome F A 18F Super Hornet pilot The role of the pilot has changed hugely in the last sixty years of military aviation Jet pilots in the 1960s flying types such as the Harrier and F 102 would have spent a huge portion of their concentration just keeping the aircraft under control That left little spare mental capacity to locate and

engage the enemy Today the opposite is true Computers have made flying so simple that it is now considered very easy to fly the SAAB Gripen or Lockheed Martin F 35 Lightning II allowing the pilot to focus fully on his or her mission G Force Flying the World s Greatest Aircraft is a celebration of the experience of flying some of aviation s most spectacular powerful and dangerous machines from early jet fighters such as the F 86 Sabre and MiG 15 to today s F 22 Raptor and Eurofighter Typhoon Packed with first hand interviews with test and combat pilots from the world s air forces and illustrated with extensively researched and striking imagery G Force Flying the World s Greatest Aircraft is thrilling ride alongside the pilots who fly the aircraft every day Featuring first hand accounts of combat over Korea in the MiG 15 endurance missions in the B 2 and bombing Iraqi targets in the Tornado this book puts the reader directly in the pilot s seat and will appeal to aviation enthusiasts of all ages

The Interpretation of The Meaning of The Holy Quran Volume 43 - Surah An-Nur Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin
