What Readers Have Said: Great insights in this book. The words resonated with my soul. Loved it. Loved it. Loved it. A Reader: A wonderful book that inspires and gives you faith in an honest and frank way. A breath of fresh air. This lovely book is a must read from such a talented soul. A Reader: This is a special book that will give answers or peace to others in so many ways. A Reader: I read the Warrior of Light book in separate chunks to really get the full value of it and the author's experience. I enjoyed it. The writing style is directed towards the more masculine male audience and maybe one at the beginning of a spiritual path. A Reader: More clarity came as I went back and re-read Warrior of Light from the beginning. I'm drawn to the author's story and for our similarities. As I was reading it, I felt like the author was reading my mind and relaying excerpts from my life. Until I read Warrior of Light, I felt very alone in this process of overcoming. There really are no words I can find to thank this author for being the beacon of light at the end of this transition from victim to the person I am today. A Reader: I've been reading Warrior of Light. I love how the author describes cord cutting and shielding. It is so helpful. I enjoyed the writing. A Reader: I read the Warrior of Light book. I loved every page. It is not the type of book that you read one time. This book has definitely become #1 in my list of favorite books. A Reader: I love the way the author makes spirituality come across so realistic. Even the non-believers would be interested to follow such a practical approach. A Reader: After reading Warrior of Light, I see Kevin Hunter definitely gaining access to the hearts of the men who want to read his books. The people who need to hear about angels, for one, from a male point of view. A Reader: I read more of the Warrior of Light book and about the Archangels. I really give Kevin Hunter a lot of credit for writing and being a messenger for others. It's working. I just

finished ordering some of his other books Every book of Kevin s has me so interested So much of my own life changes are happening fast because of these great messages in them His books are a God sent for sure A Reader
