Temples And Elephants

Carl Alfred Bock

Temples And Elephants:

Temples and Elephants, the Narrative of a Journey of Exploration Through Upper Siam and Lao, by Carl Bock,... Carl Bock,1884 **Temples and Elephants** Carl Bock,1884 **Temples and Elephants** Carl Alfred Bock,1884
Temples and Elephants: the Narrative of a Journey of Exploration Through Upper Siam and Lao, Etc. [With Plates, Including a Portrait, and a Map]. Carl Alfred BOCK,1884 **Temples and Elephants** Carl Alfred Bock,1884 *Temples and Elephants* Carl Bock,1986 Having written a memorable account of his journey to Borneo and Sumatra Carl Bock made another remarkable expedition to the Southeast Asian Mainland With vivid detail and telling anecdote Bock describes his journey from Bangkok to the region between Burma Laos and Thailand know today as the Golden Triangle Bock restores old Siam to life in a book that remains exciting to read a century after its original publication Temples & Elephants Carl Bock,2015 **Temples and Elephants; the Narrative of a Journey of Exploration Through Upper Siam and Lao** Carl Bock,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1884 edition Excerpt of ritual reminded me very much of that of the Roman Catholic priests Instead of the figures of the Virgin there are figures of Buddha The tall candles of the Roman Catholic Churches are replaced by the wax tapers¹ which the priest or suppliant places reverently before the image or in a receptacle provided for the purpose Incense is as freely used in a Buddhist Wat as in a Catholic cathedral and fast days are common to both religions The Latin prayers which the Romish priests recite before the crucifix may be likened to the Pali liturgy which the Buddhist priest mutters before the figure of Buddha both alike being in a dead language Even in the ornamentation of the places of worship there is a parallel the beautiful frescoes illustrative of the life of Christ being replaced by rude frescoes representing events in the life of Buddha which ornament the walls of every Wat while the entrancing music of the Italian churches has a distant analogy in the dull gongs and drums of the Buddhist temple 1 The quantity of wax burnt in the worship of Buddha is enormous In some temples tapers are kept constantly burniDg The supply of the native forests is not sufficient for local use and large quantities of wax are imported from Yunnan On the subject of the devotional offerings made to the figures of Buddha it is interesting to note that according to Captain Forbes British Burma the Burmese the neighbours of the Laosians do not worship Gaudama while the Lao people say that Buddha left word that when they worshipped these figures they worshipped him When they pray the Laosians pray to the spirits of their ancestors beginning with Mung Hai who lived about 6C0 years ago Now the Burmese according to Captain Forbes **Temples and Elephants** Carl Bock,1986 **The World's Inhabitants, Or Mankind, Animals, and Plants** George Thomas Bettany,1888 **Notes on the Dilwara Temples and Other Antiquities of the Sacred Mount of Arbuda (Abu)** Charles Eckford Luard,1913 **A Literal English Translation of Bâṇa's Kâdambarî (Pûrvabhâga Complete)** Bâṇa Bhaṭṭa,Bâṇa,Moreshvar Ramchandra Kale,1924 The Cave Temples of India James Fergusson,James

Burgess,1880 Sacred Animals of India Nanditha Krishna,2014-05-01 Animals are worshipped in India in many ways as deities the elephant god Ganesha and the monkey god Hanuman as avatars like Vishnu s fish tortoise and boar forms and as vahanas the swan bull lion and tiger were all vehicles of major deities and are thus sacred by association Some animals like the snake are worshipped out of fear Birds such as the crow are associated with the abode of the dead or the souls of ancestors while the cow s sanctity may derive from its economic value There are also hero animals such as the vanaras and animals which were totemic symbols of tribes that were assimilated into Vedic Hinduism Sacred Animals of India draws on the ancient religious traditions of India Hinduism Buddhism and Jainism to explore the customs and practices that engendered the veneration of animals in India This book also examines the traditions that gave animals in India protection and is a reminder of the role of animal species in the earth s biodiversity The Teeming Millions of the East George Thomas Bettany,1889 **The Caves Temples of India** James Fergusson,1880 *Gods in Chains* Rhea Ghosh,2005-07-14 Foundations of Modern Society **The New International Encyclopaedia** ,1929 **The Great Temples of India, Ceylon, and Burma** Christian Literature Society for India,1904 Official Handbook & Catalogue of the Ceylon Courts Ceylon. Commission, World's Columbian Exposition, Chicago, 1893,1893
