King, 2016-04-02 This book is a fresh look at the subject of eschatology which is the study of end time prophetic events. It is not locked into the traditional thinking and teachings espoused in the last two hundred years. The views expressed in this book are the result of a comparison of what Jesus taught on this subject through the Old Testament prophets, what Jesus taught on this important subject while He was on the earth, and what Jesus taught from heaven to His apostles after His ascension. The basic premise embraced while comparing these is that what Jesus taught in the Old Testament or what He taught while on the earth or what He taught after His ascension would never contradict one another. What Jesus taught on earth was spoken in plain earthly language, whereas much of the other teachings were generally spoken in parabolic language in heavenly figurative language. In interpreting parabolic language, there can be numerous possibilities as to God's intended meaning. However, many of these possibilities can be eliminated by comparing them with what Jesus taught plainly during His earthly ministry. Any interpretation that contradicts what Jesus taught in the Olivet Discourse cannot be the intended meaning of that which He taught in any of the prophetic books of the Bible, such as Daniel, Isaiah, Joel, or Revelation. This book is not intended to rehash the popular traditional teachings of our day on eschatology, but rather to open up the minds of the readers to explore and consider concepts and views that lie outside of the box of the commonly accepted teachings being taught to this present generation. God's Word declares that some of these prophetic things will be sealed or hidden from man until the last days of this age. However, God promises to reveal that which has been hidden to the last day terminal generation.      **The Terminal Generation** R.C. Courson Jr., Th.D., 2014-04 Prior to reading and undertaking the study of this book, I want to encourage you to understand we are the Terminal Generation according to the empirical evidence, the scientific evidence, and the biblical evidence that will be presented in this book. Simply, our generation, the Baby Boomers, the Hippies, the Yuppies, the Generation X, and the Millennials, will be alive when humanity's greatest cataclysmic event sounds in our lifetime. As you read this book, realize the world and your life as you know it today is about to change forever. Jesus Christ is coming soon, suddenly, silently, to Rapture His Church; the Anti-Christ will ascend to dominate world power, and the Wrath of God will be unleashed upon sinful man during the Great Tribulation Period. This book is an instruction manual covering the things to come in our lifetime and also a survival manual of protection and preparation. Be prepared and don't be left behind.      **Are We the Terminal Generation?** Christine Tate, 2019-09-14 The generation who will be alive at the time of Christ's return is called the Terminal Generation. This special generation will experience unique times unlike any other generation has witnessed before or ever will see again. But is that our generation, Israel, once again?

trends that now threaten to dismantle the very nation itself Think it can t happen Hagee asks in a theme repeated throughout the book Think again Indeed Hagee presents alarming examples of recent events current research scientific evidence and biblical prophecy that are gathering to create a perfect storm that could bring down the unsinkable United States of America including The U S s negligent handling of Israel and history s evidence of the danger to any nation that challenges Israel s God mandated right to exist The dangerous belittling of Iran s nuclear threat by careless spy agencies and the super weapon that could stop the U S in its tracks instantly The chilling biblical prophecy that confirms Iran as one of six countries that will form an Islamic military force as a cloud to cover the land The real 2 5 trillion price tag of healthcare reform the international currency shifts and the national economic trends that are poised to bring about the death of the American dollar The criminalization of Christianity around the world Can America Survive is not just a warning It is a wake up call and a rallying cry to Christian citizens everywhere to prevent the next unthinkable American disaster After all as Hagee points out those who do not remember the mistakes of the past are doomed to repeat them in the future Think it can t happen Think again

The Terminal Generation Joseph Essilfie,2015-07-06 Our world is coming to an end our civilization is about to end looking at the way things are going and when all things seem to fail Jesus will come rapture His Church the Bride unto Himself Everything today in our world points to the fact that we are the terminal generation The pointers are wars famine economic crisis and natural disasters something unimaginable is around the corner and we need to look up When Jesus was asked by His disciples about the signs of His coming and the end of the age He did not mince words and gave an elaborate account of what was to be expected in Matthew 24 We are living in those days as prophesied by Jesus Christ Everything now points to His coming and the admonition was when you see all these things happen look up for your redemption draws near In The Messiah s Return an attempt is made to prove we are the terminal generation and that the rapture Jesus coming to take His people out of this world is closer than ever before According to even scientist we are almost at our mid night hour what then do we need to prepare The book also reveals what is gone wrong and how to correct our stand with the truth and be in readiness to meet the Lord when He appears

**The Puppet Master of Islam** Richard Bennett,2022-09-01 To understand the dangers imposed upon the world by Allah Muhammad and the angel of light you must look at Islam through the eyes of Christianity Hal Lindsey one of the true futurist preachers of our time wrote in The Late Great Planet Earth that there are only two sources of the supernatural The God of the Bible followed by Christians and the god of this world followed by Muslims who is described as an angel of light 2 Corinthians 11 14 This is the angel that visited Muhammad and introduced Allah into the world In the beginning Muhammad thought he was possessed He spent years convincing himself that he was not Many however believe that what Muhammad suspected about demonic possession may be true It took a great deal of persuasion by Muhammad s first wife Khadija to convince him that his encounter may have been divine as opposed to demonic in origin She was instrumental in the birth of the prophet becoming a reality Discover the evil of Islam and how we

know that the apparition that spoke to Muhammad was likely an evil spirit in **The Puppet Master of Islam Israel, Rapture, Tribulation** Michael Earl Riemer, 2021-05-23 Jesus is coming soon for all signs point to His arrival again The Last Days are upon us again The Great Tribulation is about to start again We will see the Lord coming in clouds of glory for we are the last generation again Even before William Miller pronounced these kinds of tidings for 1843 and when it didn't occur he assured his followers it would happen on October 22 1844 this refrain was common from Christians down throughout the ages However since the time of Miller and especially since 1948 when the nation of Israel was given birth the chorus of Christian voices proclaiming End Times and Last Days is a constant message The problem all those who have preached this since 70AD have been wrong always 100% of the time In the Revelation of Jesus given to Saint John he assures the seven Churches the time was near it was in fact at hand The letter closes with the assurance of that fact the Lord was coming soon for Jesus states Surely I come quickly Revelation 22 20 So that leaves us with two perplexing and bewildering conclusions Jesus was wrong about His soon coming and those who preach this have also been preaching a tall tale a cock and bull story However the early Christians did not believe what is being taught across today's pulpits concerning this teaching They knew those events would happen in their lifetime not 2 000 years in the future they took Jesus at His word and it saved their lives In this book you will find the doctrine believed by early Christians and the reason the modern Last Days doctrine has always been wrong and how it was fulfilled You will also find the message taught by Jesus and presented throughout the Holy Scriptures hope and victory for Christ's Church

**Liberating the Terminal Generation** Thomas Ray Cleghorn, 2016-07-23 All Christians realize the tremendous impact the first century events of Jesus birth through His Resurrection and Ascension have on our lives today But few realize that a set of events he prophesied which occurred 40 years later also have a great impact on us today in the 21st century A lack of understanding of these fulfilled prophecies that both Jesus and John foretold not only affect our attitude about life now but can determine how we view and prepare for our future These prophecies by Jesus their fulfillment and their affect on us in our day are all detailed in **Liberating The Terminal Generation** I wrote this book for those whom the doomsayers have erroneously labeled the Terminal Generation You are not the terminal generation you have a future and a hope God placed you on this earth for a reason and that reason is not to waste your time here anticipating the end of the world This book gives us clear insight into Paul the Apostle's explanation of exactly when the end of the world and its systems do actually occur The answer may surprise you It encourages the Church to be done with a Chicken Little mentality and get on with the process of living productive Christian lives Everyone realizes that since we have only one life to live on this earth we should make the most of it and enjoy it to the fullest Jesus made that possible and even said that he gave us abundant life so that we could enjoy it

while fulfilling our God given destiny Yet many Christians live in fear dreading the events we have understood were prophesied to occur just before his return Modern Christians have badly misunderstood these prophecies and let that misunderstanding kill our joy and stall the advancement of his kingdom on earth The Bible does not speak of gloom and doom for Christians but a victorious future Blood moons are not an indication that the end is upon us and the sky is not falling According to biblical truths plainly stated in the Word we will not be checking out any time soon so lets make the best of it Liberating The Terminal Generation was written specifically for those who have a desire to know the truth about the end time regardless of their knowledge or lack of knowledge of theological concepts and eschatology The revelation you will discover in this book will help you to regain that joy that Jesus provided and free you to become the child of God that Jesus decreed you could be When you begin to grasp the truth of what Jesus prophesied you will begin to live a life free from fear and enjoy more fully the abundant Christian life he gave us You will truly be liberated from the unscriptural terminal generation mentality that so pervades modern religious thinking This book may challenge your end time theories a bit but it will also make you more aware of the absolute accuracy of biblical prophecy You are about to gain a much clearer view of the Bible as a whole and of Jesus Olivet prophecies in particular You will better understand the intended purpose for the Book of Revelations and why it is so difficult for us to understand You will no longer need to speculate about who the Antichrist may be or when the tribulation period will begin Instead you will be able to look forward to the future with the joy and anticipation that all Born Again Christians should enjoy As you read this book and as you begin to see Scripture from the perspective of a first century Christian my desire is that you gain a clear perception of the truth of the end of the age as the Bible portrays it So grab your Bible open your heart and your mind and hang on *The Jepson Manual* Bruce G.
