The French Detection

Melville Davisson Post

The French Detection:

The French Detection Ann Waldron,1979 Everyone agreed that thirteen year old Bessie Hightower was strong willed Some simply called her pigheaded But no matter what people said Bessie knew what she wanted To spend some time in France A country that had produced a woman like Joan of Arc had Bessie s admiration France was much more exciting than Texas When she arrived the police came to the boarding house she was staying in and checked everyone s passports It was just like something out of a spy movie Then she learned that someone wanted her hosts evicted and that the police meant business So she decided to do some detective work And Bessie not one to surrender easily lived up to her reputation
