presented themselves to me Was it Barnes And had Barnes really been the victim of an attack or of an accident **The Treasure Train (Classic Reprint)** Arthur B. Reeve,2015-07-11 Excerpt from The Treasure Train I Am not by nature a spy Professor Kennedy but well sometimes one is forced into something like that Maude Euston who had sought out Craig in his laboratory was a striking girl not merely because she was pretty or because her gown was modish Perhaps it was her sincerity and artlessness that made her attractive She was the daughter of Barry Euston president of the Continental Express Company and one could readily see why aside from the position her father held she should be among the most sought after young women in the city Miss Euston looked straight into Kennedy s eyes as she added without waiting for him to ask a question Yesterday I heard something that has made me think a great deal You know we live at the St Germaine when we are in town I ve noticed for several months past that the lobbies are full of strange foreign looking people About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Edward A. Wild and the African Brigade in the Civil War** Frances H. Casstevens, 2005-08-30 Edward Wild the controversial Union general who headed the all black African Brigade in the Civil War was one of the most loved and most hated figures of the 19th century The man was neither understood nor appreciated by military or civilian black or white Northerner or Southerner After enlisting at the outbreak of the war Wild was promoted to Brigadier General and placed in charge of the United States Colored Troops In fulfilling his assignment to free slaves and gain recruits he took three women as hostages and ordered a great deal of property destruction He freed hundreds perhaps thousands of slaves and settled them safely on Roanoke Island Wild then not only recruited the newly freed blacks but trained them and gave them the opportunity to prove their worth in battle Nobody it seems was happy about serving with them but the African Brigade performed courageously in several battles Wild did some inexplicable things Were his actions typical of the 19th century or did he act outside the norm Was the criticism he suffered from his fellow Union officers valid or was it due to personality conflicts Did he deserve to be arrested court martialled and even wiped from the history books or was he the victim of discrimination This work draws its answers from extensive research and includes many rare letters to and from Wild including one from one of the North Carolinian hostages

*Jefferson Davis's Flight from Richmond* John Stewart, 2014-12-24 In the space of a few hours on the night of April 2 1865 Richmond the Confederate capital was evacuated and burned the government fled slavery was finished in North America Union forces entered the city and the outcome of the Civil War was effectively sealed No official

documents tell the story because the Confederate government was on the run First there were newspaper accounts mostly confused then history books based on those accounts But much of what we know about the fall of Richmond comes from eyewitnesses like Confederate Navy Secretary Stephen Mallory whose tale became history A great deal of what has been presented over the years by historians has been plagiarized invented or misconstrued and nearly all we have learned of Jefferson Davis s flight from Richmond to Danville is wrong This book closely examines all relevant source material much of it newly discovered by the author as well as the writers diarists and eyewitnesses themselves and constructs a minutely detailed new account that comes closer to what Abraham Lincoln had in mind when he said History is not history unless it is the truth
