Trinity Guide to the Trinity William J. La Due,2003-01-01 Provides a brief and comprehensive introduction to the mystery of the Trinity tracing the evolution of the doctrine from its Old Testament roots to its contemporary expressions Original **The Trinity** Hans Schwarz,2017-09-15 In the last thirty years books on the Trinity have abounded There seems to be a fascination with this mysterious topic especially among systematic theologians The topic has been mined for many different interests from liberation theology to feminist interpretations of the Christian heritage and from neo Reformation theology to interreligious dialogue This book has no intention of adding to the plethora of treatises on the Trinity The main question with which it is concerned is what is really scripturally tenable with regard to the Trinity and what is unwarranted theological construction or even speculation Through this question Schwarz tries to discern whether the theological assertions made about the Trinity are in line with the biblical base from which they are derived or whether they have veered off in a more or less questionable direction What takes shape here is a story how the doctrine of the Trinity developed over the subsequent centuries from the traces in Scripture to a centralized dogma at the heart of Christian teaching We witness in this an evolution from proclamation to controversy to speculation What are we to make of this doctrine How do we articulate the biblical faith today **What Every Christian Should Know about the Trinity** Rob Phillips,2019-07 The doctrine of

the Trinity distinguishes orthodox Christianity from counterfeit forms of the faith and sets Christianity apart from other monotheistic religions such as Judaism and Islam Even so many Christians struggle to understand and explain this non negotiable doctrine What Every Christian Should Know About the Trinity explores the biblical foundation of belief in one true and living God who exists as three distinct but inseparable co equal co eternal persons Father Son and Holy Spirit Written for pastors and laypersons alike this book features twelve straightforward chapters that conclude with probing questions making this an ideal resource for personal or group study **The Trinity As Revealed in the Old Testament** Ford Wilson,2007-03 Knowing God and His attributes how He saves and answers prayer is foundational to all truth and eternal life Section one deals with proper attitudes we bring to the Old Testament text knowing it is God s self revelation Section two points out passages where two Persons manifest divine attributes or are called God Jehovah or Lord and Who is the Angel of the Lord Section three explains the texts where three Persons are called God Jehovah or Creator Here we see the lie of the Da Vinci Code as hundreds of years B C Jesus is called God God s self revelation in the Old Testament is proved by hundreds of fulfilled prophecies we enumerate The appendices deal with the eternal personality of the Spirit How to pray with Trinitarian Resources Biblical words and phrases twisted by sectarians the Trinity in the New Testament and Divine Names given

Wainwright,2001-08-13 It is often said that the doctrine of the Trinity was implicit in the religion of the New Testament Christians but only received theological formulation when their successors reflected on the faith by which they were living Mr Wainwright sets out to discover how far the writers of the New Testament were conscious of the problem involved in their faith which led to the working out of the doctrine by their successors His conclusion based upon a meticulous examination of the evidence is that although they made no formal statement of the doctrine the problem was present in their minds and that

they were seeking to answer it So in so far as doctrine is an answer to a problem the doctrine of the Trinity emerges in the New Testament and is far from being a speculation inessential to the Christian message *Understanding the Trinity* Alister E.
