

A historical painting depicting a busy harbor scene. In the foreground, a group of people, including men in hats and women in long dresses, are gathered around a large cannon mounted on a wooden carriage. One man is pointing towards the sea. In the background, numerous sailing ships with masts and sails are visible in the water, and a church spire rises on the left. The scene is filled with activity and suggests a significant event, likely related to the founding of a colony.
