The Four Codes Of Preaching:

The Four Codes of Preaching John S. McClure, 2003-01-01 The Four Codes of Preaching John McClure's first book length treatment of homiletical theory is a sophisticated and at times controversial contribution to the field of homiletics

The four codes of preaching John C. McClure, 1991 Learning Together to Preach John S. McClure, Allie Utley, 2023-11-10 Preaching is best learned and improved when preachers receive excellent supportive reflection on their lived experiences and sermons For nearly ten years at Vanderbilt Divinity School a group of scholars and practicing preachers joined together to develop and hone several models of peer group and individual coaching In this book they describe the key dimensions of collaborative coaching a learner centered approach to coaching that emphasizes covenant building deep spiritual curiosity care filled listening ethical awareness attention to bodies and places parallel learning careful sermon analysis and the art of asking excellent questions In the final section of the book practitioners provide examples of this kind of coaching in practice

Preaching Words John S. McClure, 2007-01-02 John McClure's Preaching Words highlights the most important ideas in homiletics and preaching offering short explanations of these ideas what scholars of preaching are saying about them and how they can help in today's preaching Topics range from elements of the sermon introduction body and conclusion to aspects of delivery types of preaching in different Christian traditions and theories of preaching

Using Biblical Hebrew in Ministry Don Parker, 1995-10-24 This book is a beginner's guide to biblical Hebrew It serves as a tool for ministers and ministers in training who want to become more effective preachers and instructors The book's uniqueness is in its tool based approach it includes a list of abbreviations of Biblical Books and an appendix of the basics of Hebrew The lesson in Hebrew is practical the author first answers basic questions about biblical Hebrew and then takes the reader through a series of analyses that discuss learning the language from words to figures of speech to Hebrew writing both narrative and poetry and finally to broader issues of culture and communication Using Biblical Hebrew in Ministry is an excellent and resourceful text for ministers as well as Seminaries and Bible colleges that offer courses such as Biblical Hebrew for English Speakers Using Biblical Resource Tools Biblical Hebrew and Hebrew exegesis

AAR/SBL Annual Meeting Program American Academy of Religion. Meeting, 1991 O.B. Perkins and the Southern Oratorical Preaching Tradition

Gary Holloway,1992 Much has been written on the chanting spiritual style of folk preaching in America This style has so dominated folklore studies that many scholars define folk preaching exclusively in terms of this style O B Perkins has all the characteristics of a folk preacher but he does not chant his sermons Instead he has a reasoned oratorical delivery quite similar to the popular political rhetoric of the early twentieth century South This study of his life and sermons broadens the field of folk preaching to include the preaching of those who do not chant their sermons but who do have a traditional homiletical form SAR 58 79 95 196pp 1992 Catalogue of Printed Books in the Library of the British Museum British
