Dance Drama Susan M. Asai,1999-11-30 Nomai dance drama an artistic expression combining sacred communal economic
and cultural spheres of community life in the district of Higashidorimura is a performing tradition that provides an identity to
agriculturally based villages It has retained features characteristic of the music drama and sacred practices of medieval
Japan N omai singing exhibits traits linked to Buddhist chanting The instrumental music originates from folk Shinto This
study highlights the social and cultural value n omaii has for the residents in villages that perform it by providing the
historical context in which it is examined as well as its current performance practices As this work explores the aspects of
agricultural Japanese society revealed through a dance drama it will appeal to music and drama scholars as well as students
of Japanese culture and history After establishing the historical lens from which to view n D omai drama the theatrical and
musical aspects are discussed in detail Photographs and musical examples enhance this thorough well organized study
