The Kings And The Christ:

Jesus Christ, the King of Kings and the Lord of Lords, the Judge of His Creation Marianne Strenger,2012-10 Do you know what the image of the antichrist is Do you know what the symbolism of the number 666 of the antichrist means When Jesus writes the letters to the churches in Revelation He is writing to us now Do you understand what He is expecting in us Do you know what is His view of an overcomer in Him Come learn the great adventure of knowing what the symbolism is in this great book of the Bible Understand God s ways for us in Jesus Christ so that when the counterfeit spirit shows up you won t be deceived and fall prey to Satan s dark ways Learn from the Holy Spirit to see through the darkness with His discernment

When the Kings Come Marching In Richard J. Mouw,2002-05-08 Widely respected for his perspectives on faith in the modern world Richard J Mouw has long stood at the forefront of the Christ and culture debate In *When the Kings Come Marching In* here revised and updated Mouw explores the religious transformation of culture as it is powerfully pictured in Isaiah 60 In Isaiah 60 the prophet envisions the future transformation of the city of Jerusalem a portrayal of the Holy City that bears important similarities to John s vision of the future in Revelation 21 and 22 Mouw examines these and other key passages of the Bible showing how they provide a proper pattern for cultural involvement in the present Mouw identifies and discusses four main features of the Holy City 1 the wealth of the nations is gathered into the city 2 the kings of the earth march into the city 3 people from many nations are drawn to the city and 4 light pervades the city In drawing out the implications of these striking features Mouw treats a number of relevant cultural issues including Christian attitudes toward the processes and products of commerce technology and art the nature of political authority race relations and the scope of the redemptive ministry of Jesus Christ The volume culminates in an invaluable discussion of how Christians should live in the modern world Mouw argues that believers must go beyond a narrow understanding of the individual pilgrim s progress to a view of the Christian pilgrimage wherein believers work together toward solving the difficult political social and economic problems of our day

Abraham—Called by God Witness Lee,2024-01-19 Abraham was the same as we are today He never dreamed of being called by God Suddenly while he and his relatives were in Chaldea worshipping other gods the God of glory appeared to him This appearing was a great attraction enabling him to come out of his fallen background and accept God s calling Although Abraham answered God s call he did not do so immediately nor absolutely Although he learned to live by faith he had serious failures along the way He followed God in a way not unlike us all Eventually he was brought to know grace for the fulfillment of God s purpose In a remarkable commentary on the life of Abraham from the book of Genesis Witness Lee presents

Abraham as a genuine man not unlike us all fallen but called by God Like him we have seen the glory of God in the face of Jesus Christ and have been attracted to follow Him Like him we must learn the lessons of faith through trials testing and failure in order to enter into the promises and blessings of God Abraham Called by God taken from the Life study of Genesis presents a unique and vital view of the father of our faith *The National Reform Movement, Its History and Principles*

The Bible Play Workshop Rita Benton,1923 *Alpha and Omega God* Mathewos T. Abera,2012-07 The book is about the Alpha and Omega God It is my testimony in regard to the existence and the will of the Deity creator for the entire creation activities I started to write about this supernatural and omnipotent God from the beginning which is unknown time I then proceeded in writing all the way to the time of eternity In the book I have talked and tried to prove the creatorship and rulership situation or condition of the Trinity God I have done this to make peoples of this world believe in existence of the almighty and the ubiquitous God who caused every thing seen and unseen to emerge and exist as they are found now *The Homiletic Review* ,1900 **Life-Study of Genesis** Witness Lee,1987-12-01 In the Lord s recovery during the past five

hundred years the church s knowledge of the Lord and His truth has been continually progressing This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries It is filled with the revelation concerning the processed Triune God the living Christ the life giving Spirit the experience of life and the definition and practice of the church In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation development and expounding of the truths contained in the Scriptures The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people the second principle is that we should interpret develop and expound the truths contained in the Bible with Christ for the church and the third governing principle is Christ the Spirit life and the church No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God s holy Word according to His New Testament economy as this one does **Jesus—The Portrait and Inscription of God** George Paki, If we want to

understand what God was telling John about the future we need to first understand what John understood Professor Jon Paulien Loma Linda University USA In *Jesus The Portrait and Inscription of God* the author pours his years of research into addressing the issue that Jon Paulien highlights Paki builds an intriguing case for a dual focused method of interpreting Revelation He uses this method to show i that Revelation was written primarily to John and his initial audience ii that the same prophecies also speak to us with clarity and force iii Then he wonders if God intentionally used the same material to

Speak to an audience then and now. When this method is applied to Revelation 13 the text does come alive. Deep theological truths and nuggets extracted are way too many to recount in a single book. In fact, this fresh approach minimizes most of our interpretive issues and enhances our understanding and appreciation of the apocalyptic Christ. Some of our leading scholars agree. It is well written, well laid out, and has good, solid biblical insights. Good, solid evidence for Revelation's high Christology. Dr. Kayle de Waal, Avondale College, Australia. I found it thoughtful, helpful, and interesting to read. The style of presentation is also very attractive. Professor Jon Paulien, Loma Linda University, USA. You have clearly shown the relationship between Revelation 13 with the rest of Revelation, the Johannine books, the New Testament, the Old Testament, and the Spirit of Prophecy. This volume will enhance the libraries of academics and laypeople alike. *The New Testament*, 1909. **Cana of Galilee, Damascus, Ephesus, Corinth, Thessalonica, Athens, Rome, Etc.
