James,2013-01-07 The world is indeed small and for many of us a world view is lacking so that smallness is not necessarily a good thing My friend Patrick James was born in relative prosperity on the small outrageously beautiful Caribbean island of Dominica where opportunities for travel for a rewarding career and for a satisfying life can be a dream followed by reality witness the twice as many Dominicans as those living in Dominica who are living working or comfortably retired in such far flung countries as the U S A the United Kingdom and Canada During his growing up years however and as a result of circumstance Patrick experienced wild swings of fortune but because he was fortunate enough to be blessed with great intelligence and sensitivity he grasped education as his means for personal fulfillment as wellas his ticket off the island and into the greater world To do so meant severing family ties that sustain us in difficult times

including a short separation from his beloved grandfather who sent him back to his parents for petty thieving and so that he might learn a lesson the hard way become repentant ask for forgiveness and gleefully be accepted back into his beloved grandfather's household At that time 1938 Patrick's parents lived in Antigua approximately 90 miles away from Dominica and to Patrick Antigua did not feel like home Prior to Patrick's temporary banishment and from time to time all too sympathetic Patrick eight year old Patrick would steal a few pennies from his grandfather's shop drawer to feed his less fortunate and very hungry friends Finally Patrick was caught and sent away as a form of punishment for wrong doing While Patrick lived in Dominica with his grandfather he had to cope with the absence of his father who would have provided guidance and taught him to be self reliant Patrick grew up being all thumbs Later he taught himself self reliance Patrick overcame all obstacles and his travels would take him to several other islands in the Caribbean area including Guyana and Venezuela in South America both of which do have Caribbean sea fronts the Canary Islands off the west coast of North Africa Barcelona on Spain's Mediterranean coast line Genoa in Italy Nice and Paris in France Brussels Belgium Amsterdam the Netherlands the United Kingdom Johannesburg and Cape Town in South Africa Singapore Perth Western Australia and finally Florida U S A Patrick would see his love of education allowing him to teach into his eighties affecting the lives of thousands of human beings in many countries To meet Patrick is to meet an African American and a world citizen a cultured man with a beautiful English accent and a Caribbean lilt to his voice whose qualities of hard work empathy intelligence and respect are instantly apparent in the first moments of making his acquaintance and whose knowledge of world affairs literature and history and his unwavering religious faith make him a lodestone to his friends and acquaintances a leader by example to others and to children a guiding North Star to fulfilling their own hopes and dreams
