the shabads to reveal continuity of thought process in Guru ji s message Thanks to S Daljit Singh ji for the great work which will benefit future generations understand Guru Ji s message easily Amarjit Singh M D University at Buffalo Buffalo NY A monumental undertaking reflecting a lifetime of devotion to the Sri Guru Granth Sahib and to the scholarly study of its voluminous texts Both its rendition of the original Gurmukhi script with accompanying English transliteration and its erudite commentary on each of the Granth s many hymns mark this work as a stunning achievement which will benefit all serious students of the Sikh religion and of world religions in general Barry Crawford Ph D Washburn Univesity Topeka Kansas

The Language and the Law of God Francesca Calabi,1998 Calabi analyzes Philo s exegetical work related to interpreting and explaining the revelation given by God to Moses on Mount Sinai Given that in the Hebrew Bible every single letter is basic to the expression of reality and cannot be modified what is the relation between the Hebrew text the Greek text utilized by Philo and reality Has the translation the same sacred character and authority as the original Can both texts equally constitute a valid basis for every interpretation The first two chapters of the book examine the relation between interpretation of the Law and its application while the third focuses on the type of exegesis conducted by Philo on its hermeneutic principles and on the interpretative modes which are also found in the Greek commentaries and or in rabbinical literature
