The Last Navigator:

The Last Navigator Stephen D. Thomas,1988 *The Last Navigator* Steve Thomas,2025-11-25 The classic account of traditional Micronesian navigation and the last navigator Mau Piailug who fought to preserve it now available in a revised edition illustrated in full color As a young man piloting a small sailboat across the Pacific Steve Thomas developed a fascination with ancient methods of navigation He learned that for thousands of years the peoples of Oceania had sailed unerringly across the Pacific without compass or charts guided only by natural signs stars waves and the flight paths of birds In search of this secret knowledge Thomas traveled to the tiny island of Satawal in Micronesia home to Mau Piailug one of the few surviving paliuw or navigators In *The Last Navigator* Thomas tells how he convinced Piailug to accept him as his student and teach him the closely guarded Talk of Navigation It is a remarkable book offering at once a clear and precise account of Micronesian wayfinding and the moving story of one man trying to preserve his culture against the tide of modernity Now forty years after his original journey to study under Mau Piailug Thomas has worked with a new generation of researchers including natives of Satawal to prepare this revised edition of *The Last Navigator* All Satawalese words are rendered in the now accepted orthography and the islanders originally identified by pseudonyms appear under their true names And throughout Thomas has added a generous selection of color photographs from his time on Satawal documenting the island its people and its seafaring culture This result is a lasting tribute to the spirit of the Satawalese and to the Talk of Navigation

Mcnease,2013-05-02 The ancient history of whales is rich with ancestral tales of superior wisdom prehistoric tradition and unending love During the cold seasons the pods would gather around the Pacific islands where the elders would perform this history for the young Through haunting songs and fluid dances stories were told of the valor of warriors the triumph of great chiefs and the celestial songs of a mythical tribe of whales called the Navigators According to tradition females are prohibited from becoming Navigators but Lani a young vivacious female whale is curious to learn more Against the will of her elders she attempts to satisfy her inquisitive mind by seeking out a mysterious old whale rumored to have a connection with the Navigators What she learns is more than she bargained for Lani leaves behind her friends her family and her duties as a female and sets out on a quest for knowledge and truth On her journey through the deep blue waters of the Pacific Ocean she discovers her destiny and changes the history of whales forevermore A story of strength self discovery love and legacy *The Last Navigator* resonates with anyone who has ever desired to know more or become more in life It speaks to the hearts of young and old inspiring us to follow our dreams
