The Potent Threesome:

Memories and Musings of a Post-Postmodern Nomadic Mystic Madman Jeffrey Charles Archer,2015-08-07 Disillusioned with the official religion and institution artifice and constructs offered as reality author Jeffrey Charles Archer hit the road and discovered things are indeed not what they say Shapeshifters skinwalkers sasquatch fairies and other fantastic creatures and extraordinary experiences make up the true tellings of Memories and Musings of a Post Postmodern Nomadic Mystic Madman

Perfect Figures Bunny Crumpacker,2007-08-07 Since the beginning of civilization numbers have been more than just a way to keep count Perfect Figures tells the stories of how each number came to be and what incredible associations and superstitions have been connected to them ever since Along the way are some of the great oddities of numbers past as a time when finger counting was a sign of intelligence the Venerable Bede could count to a million on his hands the medieval Algorists who were burnt at the stake for their use of Arabic rather than Roman numerals the Bank of England which stubbornly kept accounts on notched wooden sticks until 1826 Filled with Crumpacker s eloquent wit and broad intelligence Perfect Figures brings the history of numbers to life just as Bill Bryson did for the English language in The Mother Tongue

Through The Underground Richard Engberg,2007 This is the second of a set of historical novels comprising Tales of the Border placed in the context of the Vietnam War during the turbulence on the U S home front Upon returning from Europe to face the consequences of being classified delinquent with his draft board Sam Hanson soon finds himself to be at odds with the government What follows are a series of episodes and often misadventures through a sometimes bizarre landscape of America during the mid to late Sixties after the protagonist learns that the FBI is actively seeking him and what will continue unrelentingly for the next three years One manifestation of a poet is one who describes the world through transformation of place as well as retrospective admiration of America s natural splendor Consequently there evolves a montage of societal consensus and disapproval for the meaningless and cruel actions of U S Military policies Yet tensions travel along the path of resistance so Sam derives strength from his muse a co ed beauty who later abides in places beyond the pale It s a landscape of feast and famine guilt and idealism outcast meeting celebrity death courting pleasure of trying to stay alive in America As the country becomes polarized edging ever closer to a police state and open rebellion Sam is looking over his shoulder and running out of options

Life in the Times of Perdition Carlos Wigen,2021-10-11 Douglas Ayr s submarine began an uncontrolled dive toward the massive plain of the seamount at nine hundred feet leaving her sister vessel the Helena as a dark spec against the distant moon silver surface Dive go after him Martin shouted Having dodged the sinking debris the Helena started a crash dive Meanwhile the sub had gone from tail up to nose up and kept sinking slowly at a thirty degree angle The tail hit the barren stone plain first crushing the planes and screws Then the boat settled on its keel in a horizontal position resting on the three beams that were still in place under the belly The Helena descended on an even keel I ve got her on sonar Benny reported belly landing Put us next to her Martin said
