Minnesota Off the Beaten Path® Mark R. Weinberger,2024-06-11 Tired of the same old tourist traps Whether you re a visitor or a local looking for something different let Minnesota Off the Beaten Path show you the North Star State you never knew existed Ski hike or just relax at the Eagle Bluff Environmental Learning Center visit a three billion year old rock in Yellow Medicine County or fill up at the world s only Frank Lloyd Wright designed service station in Carlton County So if you ve been there done that one too many times get off the main road and venture Off the Beaten Path The Wreck of the Flagship Octavian Donald Craig Miller,2022-12-06 A bitter squabble over a tradesman s inheritance A frightened man on the run trying to evade unseen persons to keep them from stealing that same inheritance First century private detective Jake Jezreel has been hired to step in between these two fighting factions But when you re in the middle Jake discovers there is no place to hide In Jake Jezreel s latest adventure *The Wreck of the Flagship Octavian* the detective is swept up into an investigation much greater than he ever could have imagined The ensuing struggle over the inheritance explodes into a brawl with a violent gang a precision Roman military raid and a frantic climactic chase through the windy streets of Jerusalem Hannukah is the backdrop of this adventure with the icy winds of December intruding into all the twists and turns of this intricate tale In all of his tough choices along the way Jake s faith is greatly tested Living the Christian life in amongst the many evils of worldly society ain t easy Time and time again during this investigation Jake must depend moment by moment upon the powerful wisdom of God Who will finally get the inheritance What claim do the Romans have over the disputed inheritance What is the trap that Jake finally springs to capture the evildoers The tale of *The Wreck of the Flagship Octavian* will draw all these loose ends together in a final dramatic conclusion The Owl ,1888 *The Builder* ,1877

The Sangamo Frontier Robert Mazrim,2008-09-15 When Abraham Lincoln moved to Illinois Sangamo Country in 1831 he found a pioneer community transforming from a cluster of log houses along an ancient trail to a community of new towns and state roads But two of the towns vanished in a matter of years and many of the activities and lifestyles that shaped them were almost entirely forgotten In *The Sangamo Frontier* archaeologist Robert Mazrim unearths the buried history of this early American community breathing new life into a region that still rests in Lincoln s shadow Named after a shallow river that cuts through the prairies of central Illinois the Sangamo Country an area that now encompasses the capital city of Springfield and present day Sangamon County was first colonized after the War of 1812 For the past fifteen years Mazrim has conducted dozens of excavations there digging up pieces of pioneer life from hand forged iron and locally made crockery to pewter spoons and Staffordshire teacups And here in beautifully illustrated stories of each dig he shows how each of these small artifacts can teach us something about the lifestyles of people who lived on the frontier nearly two hundred years ago

Allowing us to see past the changed modern landscape and the clichés of pioneer history Mazrim deftly uses his findings to portray the homes farms taverns and pottery shops where Lincoln's neighbors once lived and worked Drawing readers into the thrill of discovery The Sangamo Frontier inaugurates a new kind of archaeological history that both enhances and challenges our written history It imbues today's landscape with an authentic ghostliness that will reawaken the curiosity of anyone interested in the forgotten people and places that helped shape our nation Modern Hospital ,1925 *The American Stationer* ,1884 **The Pottery Place** Gail Gibbons,1987 Describes the history and process of pottery making by following a potter through a day of work **The Bulletin** University of Rochester.
