

The Practice Of Group Work

Robert D. Vinter

The Practice Of Group Work:

Groupwork Practice in Social Work Trevor Lindsay, Sue Orton, 2011-07-01 Social work degree students must be confident in working with groups of service users as well as other professionals This revised new edition introduces the practicalities of planning establishing facilitating and evaluating social work projects including small helping groups as well as interprofessional working parties The authors examine the best methods in setting up a group the issues around power and anti oppressive practice and how to cope with unexpected or unhelpful outcomes This second edition features new material on sociodrama and psychodrama action methods with more examples from actual groupwork projects

Theory and Practice in Social Group Work Kenneth L. Chau, Marie Weil, Danna Southerland, 2019-06-04 Here is an important look at creative ways to successfully blend theoretical knowledge with skillful intervention in social group work *Theory and Practice in Social Group Work* represents leading works in conceptual development that creatively connect practice with theory and also reflect the current diversity of interventions in group work practice The book calls for more carefully articulated connections between knowledge and action and maps a strategy for strengthening social work curriculum and expanding group work practice Some of the areas discussed include group work in medical and health settings group work with people undergoing life cycle transitions and group work interventions with vulnerable populations A wide range of possibilities for applying theories in group work situations are presented in this thought provoking volume Some specific examples discussed include group work interventions with persons affected by the AIDS crisis and persons at high risk of contracting HIV a group model for the management of chronic pain group intervention services for the homeless mentally ill delivered through a mobile outreach team a bingo group in an SRO hotel group work with adults molested as children and a model of practice for work with minority populations and communities

An Introduction to Group Work Practice Ronald W. Toseland, Robert F. Rivas, 2009 The perfect text for preparing students to work with either treatment ongoing or task special focus groups this newly revised edition offers the most up to date research available in the social work field *An Introduction to Group Work Practice* Sixth Edition continues to stress the importance of developing skills in group work and provides the most comprehensive information available on the market today Students receive a thorough grounding in areas that vary from treatment to organizational and community settings The addition of new case studies practice examples and guiding principles add to the ease and readability of this popular text

The Theory and Practice of Balint Group Work Heide Otten, 2017-11-23 Michael Balint s work grew out of a desire to analyze the doctor patient relationship and improve diagnosis and treatment and is now known and implemented internationally In *The Theory and Practice of Balint Group Work* Heide Otten presents a practical guide to Balint groups and their relevance to clinicians in the modern world of internet diagnoses distant patients and teams of specialists The book begins with a history of the therapeutic relationship and its influence on the development of Balint s work Otten demonstrates how the sessions work and goes on to look at the practical aspects of

Balint group work with various professional and student groups with participants of different cultural backgrounds and nationalities and internationally The requirements for leading a Balint group are then explored and the book concludes with research findings and a look at how the practice can be extended to other professional groups Case material from the author's own work is included throughout and suggestions for additional creative elements such as sculpting role play and psychodrama are also featured The Theory and Practice of Balint Group Work is an essential guide for psychoanalysts psychoanalytic psychotherapists counsellors and medical practitioners and theorists coming to group work for the first time or utilising Balint's ideas in their day to day practice It will also appeal to others working in the helping professions seeking to strengthen the therapeutic relationship

A Theory of Groupwork Practice Tom Douglas,1993-02-02 A Theory of Groupwork Practice is based on the results of the search for the fundamental similarities in the practice of all groupworkers in whatever profession or setting they may operate The theoretical concepts used by groupworkers may be widely variant but what workers actually do when in interaction with the groups they create or adapt shows remarkable similarities which are deeper and more influential than the concepts in promoting or preventing successful group outcomes This book presents the foundations of a coherent theory of group work practice based on these similarities

Groupwork Practice for Social Workers Karin Crawford,Marie Price,Bob Price,2014-12-01 Working with families carers groups and communities is something all social work students must prepare for Written to guide you through these varied and complex groupwork situations this book explores the knowledge skills and values required for groupwork practice Divided into two parts the first provides an understanding of groupwork its concepts and contexts while the second takes you step by step through groupwork practice from planning and preparation to starting out facilitating and finally ending work with a group Different service contexts including work with children with users who have learning disabilities in mental health settings and more are covered throughout the book with case studies activities and reflective opportunities helping you to understand the complexities of these contexts This text is a comprehensive and contemporary guide to groupwork in social work today

An Introduction to Group Work Practice, Books a la Carte Edition Ronald W. Toseland,Robert F. Rivas,2011 This comprehensive group practice text prepares students to work with either treatment or task oriented groups this comprehensive revised edition offers the most up to date research available and continues to stress the importance of developing skills in group work Students receive a thorough grounding in areas that vary from treatment to organizational and community settings Numerous case studies practice examples and guiding principles add to the ease and readability of this popular text Content is tied to CSWE's core competencies and practice behaviors that are necessary for generalist and specialized social work practice with groups
