

THE ULTIMATE PRIORITY

JOHN MACARTHUR, JR.
ON WORSHIP

The Priority Of John

John Keats

The Priority Of John:

The Priority of John John A. T. Robinson, 2011-03-01 It has been the fate of many books on John to be left unfinished for its interpretation naturally forms the crowning of a lifetime I have myself been intending to write a book on the Fourth Gospel since the fifties before I broke off reluctantly to be Bishop of Woolwich though I am grateful now that I did not produce it prematurely at that time It means however that I shall be compelled to refer to and often recapitulate material directly or indirectly related to the Johannine literature which I have written over the years some of it indeed while I was bishop Many scholars in fact if not most now think that the author of the Gospel himself never lived to finish it and have seen the work as the product of numerous hands and redactors As will become clear I prefer to believe that the ancient testimony of the church is correct that John wrote it while still in the body and that its roughnesses self corrections and failures of connection real or imagined are the result of its not having been smoothly or finally edited If so I am in good company At any rate who could wish for a better last testimony from his friends than that his witness is true John 21 24 In other words he got it right historically and theologically from the Introduction At the time of his death in December 1983 John Robinson had completed the text of the book on which his 1984 Bampton lectures were to be based so that it is possible to see the full details of his extremely controversial argument that the Gospel of John was the first Gospel to be written Dr Robinson himself once described the dawning of his conviction that this was the case as a Damascus Road experience and his presentation of the evidence is made with all the customary vigor with which he would argue for something in which he deeply believed The objections which need to be overcome to stand on its head what has long been one of the fundamental assumptions of New Testament scholarship are substantial but here once again Dr Robinson shows that so much of what is taken as established fact in that area is no more than preference and presumption Certainly he will provoke rethinking on a whole series of topics from the chronology of Jesus ministry to the nature of his teaching As The Listener said of the equally controversial Redating the New Testament The greatest pleasure Dr Robinson gives is purely intellectual His book is a prodigious virtuoso exercise in inductive reasoning and an object lesson in the nature of historical argument and historical knowledge This sequel equals if not excels its predecessor in those respects and is a fitting tribute to a brilliant New Testament scholar The manuscript was prepared for publication by Dr Chip Coakley Dr Robinson's pupil now Lecturer in Religious Studies in the University of Lancaster

The Priority of John John Arthur Thomas Robinson, 1995 One of the classic works of Johannine scholarship

Commentary on the New Testament: James, 1-2 Peter, 1-3 John, Jude Heinrich August Wilhelm Meyer, 1887

The Doctrinal System of St. John John James Lias, 1875 In Re John Horne Company, 1954 **The Choice Works of the Rt. Rev. John England, Bishop of Charleston, S.C.** John England, 1900 **The Life of John Milton** David Masson, 1873 The Life of John Marshall Albert Jeremiah Beveridge, 1919 **The Life of John Marshall: Conflict and construction, 1800-1815** Albert Jeremiah Beveridge, 1919 The Presidency of John Quincy Adams Mary W. M.

Hargreaves, 1985 Historians have not been generous in judging the presidency of John Quincy Adams Those who have most conspicuously upheld Adams's fame have at the same time virtually ignored his service in the White House Critics on the other hand have described his administration as a failure founded upon bargain and corruption and marked by exclusion of the United States from the British West Indian trade the ineffectiveness of its efforts to promote strong Pan American relationships and the enactment of the tariff of abominations Some analysts have even argued that it generated the sectionalism which terminated the Era of Good Feelings Mary Hargreaves contends instead that the basic effort of Adams's presidency was to harmonize divergent sectional interests To ignore the Adams administration's commitment to nationalism she argues is to overlook a fundamental stage in the establishment of the federal government as guardian of the general interest The volume contains new information on the development of United States commercial policy the nation's early relationships with Latin America and difficulties of local and regional adjustment to the growth of the national economy It will be of keen interest to all students of the economic and political history of the early national period

The Complete Works of John Keats John Keats, 1929 The Correspondence of John Cleves Symmes John Cleves Symmes, 1926 *The First Epistle of St. John* J. J. Lias, 1887 **The Prose Works of John Milton** John Milton, 1889 **The Works of John Ruskin** John Ruskin, 1906 Volume 1 35 works Volume 36 37 letters Volume 38 provides an extensive bibliography of Ruskin's writings and a catalogue of his drawings with corrections to earlier volumes in George Allen's Library Edition of the Works of John Ruskin Volume 39 general index **King John. Taming of the shrew. Henry IV, pt. 1-2** William Shakespeare, 1912

The Complete Poetical Works of John Keats John Keats, 1920 *The Life and Letters of John Brown* Franklin Benjamin Sanborn, 1891 The Life of John Milton: 1643-1649 David Masson, 1873 **The Journal of the Rev. John Wesley** John Wesley, 1930
