The Third Fury:

A New Law-Dictionary ... The third edition, with very large additions, etc Giles Jacob,1736 Fury's Gate One H. T. Martin,2011-08-29 Christian has a tough decision to make does he go for the mysterious girl that teases and eludes him or for the bubbly blonde who is near perfect in his eyes Looking past their unique personalities and their incredible sex appeal that is so difficult for him to resist his decision bears heavy burden because the girls in question are really a Valkyrie and a Harpy The two races have been warring with each other for many millennia and Christian's final choice will decide one of their fates for good As if a love triangle with devastating consequences wasn't enough Christian also has to make a good impression his freshman year of college if he wants to have any chance of playing football next fall While behaving like a good boy and dealing with two fantastical girls he also has to come to terms with who his father is and more importantly what his father is Mayhem an immortal that previously held the title as The God of War offers to help Christian on his journey to answer all of his questions Mayhem's help proves to be detrimental rather than beneficial and forces Christian to take matters into his own hands It's time for him to grow up and make up his mind time is short *Professorial Dissertations for 1872 - 73* ,1873
