**When Time Stood Still** Rohn Rittenhouse, 2015-06-10 Over drinks at a bar on Saint Thomas Mike Ross overhears a tale that captivates his attention In 1595 the Spanish galleon Santa Madero sank off the coast of Saint Croix taking its crew and a treasure worth millions to the ocean floor but attempts to recover the treasure over many centuries have all met mysterious and tragic ends Giving little credence to the story of the curse surrounding the treasure Ross enlists his best friend and partner Lou Velez to recover the sunken fortune Far below the tranquil blue sea both men engage in a horrifying confrontation that leaves Velez on the verge of death As his friend battles for his life Ross studies the few artifacts they had managed to recover a handful of doubloons and a coral encrusted idol But what is this idol and what secret does it hold As Ross digs deeper into the origin of the idol an enigmatic and beautiful woman enters his world speaking of more danger and another treasure worth millions As the idol yields its secret an ancient amulet which has the power to control time Ross and his new partner set sail for a new sunken treasure as two mysterious and brutal agents relentlessly pursue them

The Little Town Where Time Stood Still Bohumil Hrabal, 2015-06-30 The Little Town Where Time Stood Still contains two linked narratives by the incomparable Bohumil Hrabal whom Milan Kundera has described as Czechoslovakia's greatest writer Cutting It Short is set before World War II in a small country town and it relates the scandalizing escapades of Maryka the flamboyant wife of Francin who manages the local brewery Maryka drinks She rides a bicycle letting her long hair fly She butchers pigs frolics in blood and leads on the local butcher She's a Madame Bovary without apologies driven to keep up with the new fast paced mechanized modern world that is obliterating whatever sleepy pieties are left over from the defunct Austro-Hungarian Empire The Little Town Where Time Stood Still is told by Maryka and Francin's son and concerns the exploits of his Uncle Pepin who holds his own against the occupying Nazis but succumbs to silence as the new post World War II Communist order cements its colorless control over daily life Together Hrabal's rousing and outrageous yarns stand as a hilarious and heartbreaking tribute to the always imperiled sweetness of lust love and life
